Or give him oatmeal gruel or barley water to

OWES HER LIFE TO

After Years of Suffering with Dyspepsia, this Fruit Medicine Gave Relief

917 Dorion St., Montreal.

"I am writing to tell you that I owe my life to 'Fruit-a-tives' for this remedy relieved me when I had abandone all hope of ever recovering my health. I suffered terribly with Dyspepsia. I had it for years and all the medicines

I took did not do me any good. I read something about 'Fruit-atives' being good for all Stomach Troubles and Disorders of Digestion so I tried them. After finishing a few boxes, I was entirely relieved of the Dyspepsia and my general health was restored.

I thank the great fruit medicine, 'Fruit-a-tives', for this wonderful

MIle ANTOINETTE BOUCHER.

50c, a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

HOT WEATHER RULES

1. Load lightly, and drive slowly.

2. Stop in the shade if possible. lry it is worse than nothing.

possible. So long as a horse is work- and today. not hurt him. But let him drink only General Superintendent

5. When he comes in after work, tirement would be announced later. sponge off the harness marks and

damp sponge, using vinegar water if 65 years of age. possible. Do not wash the horse at

7. Saturday night, give a bran mash, lukewarm; and add a table spoonful of saltpetre.

8. Watch your horse. If he stops sweating suddenly, or if he breathes short and quick, or if his ears droop. or if he stands with his legs braced sideways, he is in danger of a heat or sun stroke and needs attention at

9. If the horse is overcome by heat, get him into the shade, remove harness and bridle, wash out his mouth. sponge him all over, shower his legs, and give him two ounces of aromatic spirits of ammomia, or two ounces of sweet spirits of nitre, in a pint of water: or give him a pint of coffee warm. Cool his head at once, using Ottawa, July 6-Prayers for rain cold water, or, if necessary, chopped ice, wrapped in a cloth

10. If the horse is off his feed, try drink.

11. Clean your horse at night, so that he can rest, well, and clean him thoroughly. The salt dandruff drying on his skin makes him uncomfortable, and often produces sores under the

12. Do not fail to water him at night after he has eaten his hay. If you don't he will be thirsty all night.

13. If it is so hot that the horse sweats in the stable at night, tie him outside, with bedding under him. Un less he cools off during the night, he cannot well stand the next day's heat.

These Rules are prepared by the Boston Work-Horse Relief Associa tion, whose office is at 15 Beacon Street, Boston, Mass. We also publish Stable Rules, Drivers' Rules, Winter Rules and Noon-Feeding Rules. Copies of any of these Rules will be sent free on application.

N. B. REFERENDUM

VOTE ON OCTOBER 10 Ottawa, July 5-Acting Prime Minster. Sir George Foster, announced tonight that the probable date for the holding of the referendum on the in:portation of liquor in New Brunswick will be October 10.

ROGERSVILLE IN PATH OF FLAMES

temperature around ninety-five in the shade New eastle on Wednesday and Thursday sweltered under the hottest day o this season. The sun was obscured by the heavy pall of smoke which hung over the town due to the many forest fires in the vicinity of Barnaby River which is now reported miles from Rogersville three that village is threat-In addition to the fires already reported at Grey Rapids new blazes are said to have broken out on the headwaters of the northwest where the most valuable timber in the province is located also at Bartibogue and Wellfield. Unless rain comes soon it will be impossible to stem the tide of the fires which has destroyed an erormous amount of valuable tim-

OPEN SEASON ON PARTRIDGE OCT. 1-20

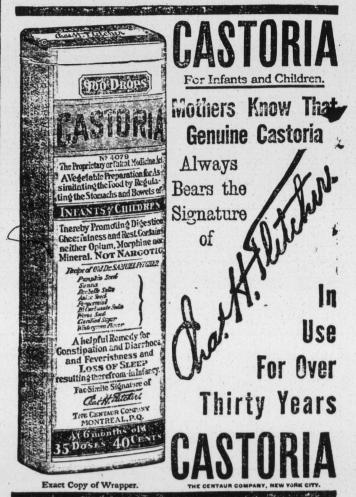

October 1st to 20th inclusive, was de cided upon by the provincial execu tive at their evening sitting Wednes day. The bag will be limited to six birds a day, and to twenty birds for the whole season. The government's act is authorized by the Games Act which provided that an open season may be declared by the governor-in

Quality maintains economy. You may pay less "per gallen" for other lubricating oils but you get more lubrication "per dollar" when you buy Imperial Polarine Motor Oils.

olarine

USERS of Imperial Polarine Motor Oils enjoy a singular freedom from engine trouble, which is at once a source of profit and pleasure to them.

Every bearing and rubbing surface is cushioned with an unbreakable oil film which relieves friction and minimizes Good compression is also maintained, saving both

Lessened repair bills, lower upkeep costs, better satisfaction and longer service from your car follow the use of Imperial Polarine Motor Oils.

Consult our Chart of Recommendations for the grade of Imperial Polarine best suited to your motor. See Charts at your dealers or write to 56 Church Street for "Automotive Lubrication," a booklet which contains the Chart and other valuable information.

IMPERIAL OIL LIMITED Branches in all Cities

FOR A CLEAN EFFICIENT MOTOR

The crank case of your motor should be drained, cleaned and refilled with fresh Imperial Polarine every 1,000 miles or less. Dealers who display this sign give expert crank case cleaning service, using Imperial Flushing Oil, a scientific cleaning agent which removes all dirt, grit and impurities, which are so harmful to your engine. It will pay you well to employ Imperial Polarita Crank-Case Service to-day.
