DR. ARTHUR B. COBB
Dentist
Crown and Bridge work are branches of Dentistry that demand a skill that can be obtained in no way except by years of actual experience and practice.

In our offices we have four trained specialists who devote every bit of their time to Crown and Bridge work.
They are artists and they achieve such splendid results that the mouth looks, feels and acts perfectly natural.

These men can save teeth that ordinarily would be extracted. They can make plates unnecessary by the use of wonderfully constructed bridge work, so perfectly fitted and so natural in appearance that detection is quite impossible.

Crowns of the finest quality, made and fitted by our experts, cost only \$6, and Bridge work is proportionately as reasonable in cost.
Why not consult with us? We make no charge for thorough examination of the teeth.

A Blood Food Discovered That Entirely Overcomes Anaemic Weakness

Carefully Investigated Reports Establish Truly Wonderful Results
Heretofore it has often been a hopeless task for a thin blooded person to gain either strength or weight. Neither food nor medicine in many instances had beneficial effect.

What is practically a perfect blood-food, containing such elements as iron, has at last been produced, and when taken after meals will put new life and vigor into people that have despaired of ever being strong again.

This truly wonder-working treatment consists of taking two small chocolate coated Ferreroze tablets at the close of every meal.

This wonderful blood food supplies nourishment, vim, energy—sends a stream of vigorous, strength-making blood to every nook and corner of the body, makes every muscle and fibre sing with new found life and health.

That gnawing tiredness leaves you—Ferroze drives it away. Sleepless nights are turned into periods of rest, and you pick up fast. Day by day your appetite improves—this means more food is transformed into nutriment that will build and energize weak organs. The inclination to worry passes away because Ferroze imparts nerve tone and bodily strength that prevents depression.

Think it over—Ferroze is a wonderful tonic, because it establishes health that lasts. Thousands use it and thereby cleanse and restore the entire system to a perfect condition. You'll feel the uplifting power of Ferroze in a week—it's bound to help you if you only give it a chance. Sold by all dealers 50c. a box or six boxes for \$2.50; be sure of the name Ferreroze. Forwarded by mail to any address if price is remitted to the Cattaraugus Co., Kingston, Ont.

ENGLISH CHURCH MAY HAVE WOMEN FOR CONFESSORS

LONDON, April 23—Whether the church should provide women confessors is a question with which the Lambeth conference of the clergy of Great Britain, to be held in July, is threatened.

At a meeting of the National Union for Equal Citizenship, Miss Edith Pictou-Turberville said that letters had been received from girls in various parts of the country pleading for women confessors in high Anglican churches.

The Rev. Henry Ross, vicar of St. Albans, a large parish in Holborn, London, does not hold out much hope for the suggestion, for in a recent interview he said women would not confess to women, who are pitiless to their own sex.

Dempsey Will Defend Title On July 5th

HEAVYWEIGHT CHAMPION TO FIGHT AT BENTON HARBOR, MICH. ACCORDING TO PLANS

CHICAGO, April 24—For the first time since he defeated Jess Willard Jack Dempsey will appear in the ring, to defend his title at Benton Harbor Mich., on the afternoon of July 5. His opponent has not yet been selected but there is a promising field to choose from, including Bill Brennan, Bob Devore, Tony Melhor, Charlie Miller and other aspirants.

McKearns, Dempsey's manager met promoter Floyd Fitzsimmons today and terms were quickly agreed upon. McKearns believes Brennan the logical candidate, but believes he is tied up by a match in the east this summer. Miller who has a decision over Willard, is the next choice.

Brennan has met Dempsey and gave him a stiff argument up to the second round when Dempsey connected with Brennan's jaw and the latter broke his ankle in the fall. Despite this handicap Brennan went into the game for more, and was going top speed until he was forced to quit in the sixth round.

McKearns says Dempsey will soon come east. He hopes to be cleared of the charges that he was a war slacker and both he and his promoter believe that a few good exhibitions in the east and middle west will re-

CO-EDS ARE GETTING HUSKIER EVERY DAY: EVEN BEATING MEN

CHICAGO, April 23—Athletic regular hours, outdoor exercise, no tight lacing or tight shoes, good food and plenty of it are elements combining to produce in the United States, a race of Amazons, at least as far as size, strength and endurance are concerned.

Gertrude Hawley head of the girl's physical education department of Northwestern university, announces that in two years the average height of the co-ed has increased from 62.3 inches to 64 inches; their weight from 118.2 pounds to 123.4 pounds; their lung capacity from 163.7 cubic inches to 1169.5 and that their total strength lifting, pulling and shoving—from 499 pounds to 633 pounds. Their posture also has been improved by the physical exercises

Miss Hawley declares. Some noted authorities have recently declared that men are deteriorating and that women are rapidly assuming the lead in mental and physical lines, and this information from the big university seems to have a bearing on the subject.

DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS. The knowledge gained from many years' experience in these diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man feels that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION

A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MANNER OF LIVING—OUR WORRY AND HURRY—AMERICANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.
There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

RHEUMATIC AILMENTS

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.
Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attacked by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.
