

What It Would Mean to Canada

(Continued from page 2) people of Canada are coolly asked to take a leap in the dark by voting for experimental policies...

That Reciprocity arrangement was a give and a take affair. Something was given for something. But the Farmers' and Liberals' policy propose to give to the United States something for nothing...

One-sided as our trade with the United States has always been, Crerar and King propose to make it still more easy for him to sell us more goods.

We have no trade quarrel with the people of the United States and we seek none. They pass laws according to their lights and without reference to us...

Autoeracy Of Mackenzie King

Autoeracy is a word greatly liked by the leader of the remnant of the Liberal party. He never seems to tire of its use by way of accusation of the Prime Minister and his Government.

Suppose we turn the tables on him? Could there be a greater exhibition of autoeracy than that shown in his recent declaration that notwithstanding the platform of his party, he and his chief lieutenants in whom he has confidence...

Nothing could be more clear, definite or specific. The firm voice of the great Liberal Party had spoken—the gage of battle had been thrown into the ring. And now, along comes the leader of the party with a declaration that he and two or three of his confidants are the party—and that they will do what they think best notwithstanding the solemnly approved party platform.

The Home Market Is The Best

We commend to the farmers of Canada the following words spoken by Mr. James Wilson, Secretary of Agriculture in the Taft Administration: "The American farmer brought about the building of the American factory because he wanted a home market. The home market is the best to be found anywhere...

Sheriff's Sale.

By virtue of a Statute Execution to me directed, issued out of His Majesty's Supreme Court of Judicature at the suit of William Condon against James Condon, I have taken and seized all the Estate, right and title and interest of the same James Condon, in and to all that tract, piece or parcel of Land situate, lying and being in Murray Harbour North, Township Number Sixty-three, in King's County, bounded and described as follows, that is to say: Commencing at the division line between the farm of Matthias Condon and William Condon, formerly James Condon, and at the Southeast angle of that line along the Main Road and West of the Road, thence running Northwesterly One hundred and forty-seven yards in a South and Westerly direction running fifty yards, thence in a South-easterly direction One hundred and fifty-seven yards to the Main Road, thence along the Main Road North-easterly fifty yards to the place of commencement, containing an area of One Acre and a half, a little more or less. ALSO ALL that other tract, piece or parcel of Land situate, lying and being on Lot or Township Number Sixty-three, in King's County, bounded and described as follows, that is to say: Commencing at the East angle of William Condon's Southern boundary of the West side of the Murray Harbour North Road and running along the said line in a Westerly direction a distance of Thirty-five yards, thence running Northwesterly on William Condon's land a distance of Thirty-five yards, thence Easterly a distance of Thirty-five yards, reaching the said Murray Harbour North Road, thence running along the said Road in a Southerly direction a distance of Thirty-five yards, reaching the place of commencement, and containing One-quarter of an Acre of Land, a little more or less.

And I do hereby give Public Notice that I will on Wednesday, the Tenth day of May, A. D. 1922, at the hour of Twelve o'clock, noon, at the Court House in Georgetown, in King's County, set up and sell at Public Auction the said property, or as much thereof as will satisfy the levy marked on said Execution, being One Thousand and Thirty-eight and 1/100 Dollars and interest, besides Sheriff's fees and all legal and incidental expenses.

Dated the 31st of October, 1921. M. J. POWER, Sheriff. Sheriff's Office, King's County. A. F. McQUAID, Plaintiff's Attorney. Nov. 2, 1921—4i

Canada did not agree to Reciprocity and just as these Associated manufacturers of Minnesota predicted, United States manufacturers by the hundreds have established themselves in Canada since then—greatly to the advantage of the country and particularly to Canadian labor. According to the latest census returns there are 650 manufacturing branches of United States concerns in Canada, with a total capital invested of \$600,000,000, and employing 90,000 people.

And yet the Hon. Mr. Fielding still declares that the defeat of Reciprocity was a crime. We fear it is a case of wounded personal vanity with him.

Look. Read. Realize. We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor. If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor. WELL, there's where we shine!!! We study the business! We know what suits a young man we know what suits a middle-aged man, and we know what suits the old gentleman—both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Made-to-Order. We are equally in a position to suit you. We do not let a suit or overcoat leave our establishment until it fits the man who is buying. Our prices are always right when you take the quality into consideration. Do not forget that we are sole agents for the famous W H Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time. Overcoats, Made-to-Order—from... \$30.00 to \$48.00 Overcoats, Ready-to-Wear..... \$15.00 to \$36.00 Success Is a Habit Our habits make us. We are creatures of habit. The results came in two ways: 1st. The drastic lowering of prices on our own stocks, down to the new low basis, and often far below it—to double your interest in January buying in our store. 2nd. We have combed the markets—taking utmost advantage of the opportunities created by far sighted manufacturers who were ready to co-operate with us in presenting to you now the lowest prices that will be possible, for the next six months, at least.
