Reversal of last week.

Lesters from Rev. J. Salmen, M. D.

Mr. James I. Fillows.

Sir. In the practice of medicine I have recommended your Compound Syrup of Hypophosphites, and have found invariable of following results:

Greater freedom in the action of the Lungs, increased and more easy expecication in cases indicated dry cough, and decided augmentation of tone to the whole nervous system.

I can safely and consistently recommend your invaluable preparation in a variety of cases, especially for Chest diseases, having successfully prescribed it in Brouchitis, Asthma, Debility from Liver complaint, Debility from Liver complaint, Debility from Fevers, and Debility from impoveriabed fileod.

I am, sir, yours truly, JAMES SALMON.

Practizing Physician and Surgeon.

If you have a discharge from the nose, offensive or otherwise, partial loss of the sense of smell, taste, or hearing, eyes watery or weak, feel dail and stupid or debilitated, pain or pressure in the head, take cold easily, you may rest assured that you have the Catarrh. Thousands annually, without manifesting half of the above symptoms, ferminate in consumption, and and in the graye. No discesse is so common, more deceptive, or less understood by physicians. B. V. Pieros, M. D., of Buffalo, N. Y., is the proprietor of Dr. Sage's Catarrh Romedy—a perfect Specific for Catarrh. "Cold in the Head," or Catarrhal Headaulte, which he sends to any address (post-paid) for sixty cents, or four paskages for \$25 Sold by most druggists everywhere.

12 Did you ever think that what is termed a common cold, when systematically neglected, often leads to that most fatal and distressing disease—commption—but when attended to at once is generally easy of cure. If you are troubled with a cold or cough, "Bryan's Pulmonic Wafers" will be found to be most efficacious in removing it.—They give immediate relief, and generally effect a cure when used in time. Sold by all Druggists and country dealers. Price 25 cents per box.

Remerere Ixams. — A writer in Put-nam's Magizine says: "Itis a curious fact that there is never a white colt nor a black eath. The whitest horse was blackest in its birth, and the jet black cow was usualixed red." Whether this is correct or not, we cannot positively say; but this we do believe, that the heat medicine for removing pain from the apstom a the "Canadian Pain Des-troper." In cases of rheumatism, prains bruises or severe colds and summer complaints; it stands unequalled. For sale by allDruggists and country dealers. Price 25 ets per bottle.

OURS YOUR HORSES,—It is to the interest of all who own horses to keep them in a healthy and sound condition; axperience has proved that "Darley's Condition Powders and Arabian Heave Remedy" is the most efficacious, and has been used by thousands who will chearfully contine this atatement. For Heaves, Coughs, Colds, and all diseases which affect the wind of horses it has no seal, nor is it equalled as a condition Heaves, Course, voide of horses it has no equal, nor is it equalled as a condition medicine; it purifies the blood, corrects and improves the appetite, and softens the skin; in fact, so great is the improvement in the condition and appearance of the animal as to have led many to doubt if it could be the same horse.
