Do You Look Forward To a Good Night's Rest?

Do you regularly anticipate a refreshing sleep? Or do you dread going to bed, only to stare, sleepless, at the walls? The difference between sleeping and staring is simply a matter of Derves.

When your nervous system is in a sound condition, you are certain to sleep well. But when your nerves are worn out and beyond your centrol, your rest is broken and your awakening

leaves you languid and irritable. Doctors know that much of

the nerve disorders result from ea and coffee drinking. The drugs in these drinks over-stimulate, often causing the serious ills which result from disturbing the regular bolily functions. It is for your : health's sake that many doctors now say you should quit

tes and coffee. Drink Postum, the delicious meal-time beverage instead? In flavor it is rich and satisfying. Postum is fundamentally a

nerve strengthener because it lots you get sound, restful sloop. Postum is a skilfully-made cereal beverage, and the secret of its popularity is its protection to health and its delicious flavor.

Ask your grocer for Postum Drink this het, refreshing beverage in place of tea or coffee for 10 days and see what a wonderful difference it will make in the way you feel.

Postum comes in two forms: Instant Postum (in tine) made instantly in the rup by the addition of boiling water. ostum Cereal (in peckages of large ulk, for those who prefer to make th ink while the meal is being prepared te by bolling for 20 minutes.
