DR. LEHR, Dentist,

329 Water St. RECOGNITION. The care of the teeth is now recognized as a necessity. In fact the large hospitals all over the world examine the patients' teeth and where it is possible put them in good condition before attempting a surgical operation. Experience has shown that the patient has a better chance for recovery with a clean healthy mouth than without it. This ought to convince the most skeptical that care of the teeth is requisite to health.

FRED. J. ROIL

CANDIDATE FOR CITY COUNCILLOR. A number of House Owners, Tenants and Representatives of Estates and others wishing to become their own Landlords have insisted that I, the only Specialist in Real Estate, should offer my services to Fellow Citizens to represent their interests in the Council—to adjust the present and unfair system of assessments and taxation—the vicious methods of exacting rents, etc., etc. I have an equitable proposition. Give me the Power. I respectfully ask every Property Owner and Tenant to vote for FRED. J. ROIL for Down with taxes and Down with rents (say it loud, boys). More to follow.

Are you acting in the capacity of EXECUTOR?

If you are, and desire to be relieved of the detail work of the Estate, we would be pleased to act as your agent. The law gives you the right to employ us, and our charges are very moderate.
