"Guaranteed Havana Filler." "Guaranteed Havana Filler."

The cheapest rubbish made into cigars in many cases is branded on the cigar box or label "Guaranteed Havana Filler." The guarantee may be readily understood when the public are informed, which is a fact, that Havanna fillers can be bought from 12 cents perpound upwards. The only safe guarantee and the only one we offer to smokers, is brands of cigars that have stood the test for a start of the contrary, that are recognized as brands of eigars that have stood the test for nearly halfa century, that are recognized as bonest goods, and always reliable as is at-tested by the many millions of Cables, Mungos, El Padres and Madre E Hijos that are sold yearly, and for which the demand is constantly increasing.
