OCCUPY ONE VILLAGE

Saioniki Dispatches Report Heavy Setback for Bulgarians.

[Canadian Press.]
Saioniki, via London, Aug. 18.—The Bulgarians have suffered a heavy setback in the Balkans. The attack on the Serbian frontier was thrown back on their original positions after sustaining enormous losses.

The Serbian statement issued August 18 announced:

"Yesterday at dawn the Bulgarians attacked along our front in the sector of Moglena, to the north of the villages of Scupina and Pajar. The Bulgarians were repulsed by our powerful counter-attacks and were thrown back upon their original positions after sustaining enormous losses."

"The Bulgarians occupied the town and station of Florina."

"An enemy air squadron threw bombs upon the British ambulances at Verobop. Six persons were killed. Nineteen allied aeroplanes dropped 80 bombs upon the enemy hangar at Monastir. Excellent results were observed."

The capture by Bulgarians of the Greek town of Florina, five miles from the Greco-Serbian border, and fifteen miles southeast of Monastir, was reported yesterday by the British war office.

SOFIA'S REPORT.
[Canadian Press.]

Sofia, Bulgaria, Aug. 18.—Severe fighting followed the capture of Florina from the Serbians, who have sustained considerable losses, says an official account of these operations which was issued here today. The statement follows:

"On August 17, after an offensive undertaken by the Serbians on the front between Lake Ochrid and Lake Preshe, our troops, which had repulsed the enemy, pursued him and occupied Florina. The enemy, after lengthy artillery preparation in the evening, attacked our advanced positions south and west of Doiran, and our post at the village of Bolzeli. He was repulsed by our fire, and at some points by our counter-attacks and bayonet engagements. He was compelled to retire, suffering considerable losses."

"On the remainder of the front there were engagements with small patrol forces."

"German aeroplanes made successful attacks yesterday on the railway establishments near the Lanchevo camps near Karsovo, Cavalland and Katabak. All the aeroplanes returned to their base."

GIBSON REFUSES TO JOIN GIANTS; COMING HOME

Will Return to London Because Pirates Violated Promise to Give Him Unconditional Release and Declare Him Free Agent.

As was announced in The Advertiser of Friday, Mooney Gibson, veteran catcher of the Pittsburgh Pirates, who was released this week to the New York Giants, will not join the New York Giants. A dispatch to The Advertiser from Pittsburgh today is direct confirmation of the previous statement that Gibson would never join the Giants because of the promise made to him last winter that he would have his unconditional release from the Pirates if it was decided to discontinue his services.

The fact that Gibson played so many years with the Pirates made him a favorite in that city, and it is said that the Pittsburgh fans are backing up the veteran catcher.

The dispatch from the Steel City follows: "Pittsburgh, Aug. 18.—George Gibson, veteran catcher, who was released last Tuesday by the Pittsburgh Pirates, announced last night that he will not join the New York Giants. He prepared today to return to his home in London, declining to declare him a free agent. Barney Dreyfuss, president of the Pittsburgh Pirates, asserts, however, that he is powerful enough to grant him an unconditional release, as the Giants refused to waive claim to the catcher's services. Gibson says he does not intend to retire from baseball, but will devote the remainder of the season to the management of his business."

Mooney Gibson arrived home late last night, but The Advertiser, after numerous efforts failed to reach him, but he was more successful than The Advertiser.

Mr. Gibson will probably retire from baseball, it is said, unless the Pittsburgh Club give him his unconditional release, which is merited after his long and faithful service of the club.

Mooney proposes to go on a fishing trip, and will henceforth enjoy himself. It is possible that he will later manage a ball club, but that is something that must be settled in the future.

SWEDISH REPORTS FORETELL HUN ATTACK IN THE BALTIC

Believe It Part of Grand Attempt to Reach Petrograd.

[Canadian Press.]
New York, Aug. 18.—A London cable to the Tribune says:

"The Germans are about to launch a naval attack in the Baltic near the Riga section, according to Swedish reports which reached here yesterday."

During the German drive last fall the Riga section was the scene of the heaviest fighting between Russian and German fleets which have been frequently reported in the last few months.

These reports suggest that the sea attack may be linked with a great counter-blow along the Dvina line. There has been talk lately that the German thrust would aim to push past Dvinsk and Riga and move toward Petrograd.

BERLIN SOCIALIST CLUB RAIDED BY THE POLICE

[Canadian Press.]
London, Aug. 18.—The premises of all Berlin Socialist Clubs were raided by the police on Wednesday last, according to a dispatch from Geneva today.

Many persons were arrested, the dispatch states, and it is reported that large quantities of peace manifestos and pamphlets were seized.

SCHOOL PLOTS SHOW UP WELL IN RURAL DISTRICT

Behind Average, But Weather Alone is Responsible.

Nearly all the school garden plots throughout Middlesex have now been judged, but the winners' names will not be given out until the prize-winners at the school fairs are also announced. R. Ontario Agriculture Department, on his assistant, E. R. McLoughry, have been several weeks judging the plots, of which there are nearly 1,500.

The report that in most cases they are good, except that they have been handicapped by excessive rain at the end of the season, and by the lack of moisture during the past month. On an average they will not equal those of other years. This, however, they state is not the fault of the competitors.

The school fairs commence on September 15, and continue for over a month. The exhibits promise to be good, from the state of the gardens at the time they were judged.

CATHOLICS CONVENED National Federation Gathered for Catholic Week at Philadelphia.

[Canadian Press.]
New York, Aug. 18.—Thousands of delegates to the "Catholic week" of the National Federation of Catholic Societies are here from all over the United States and Canada for the annual convention beginning tomorrow. Cardinal Connolly of Boston has arrived and Cardinal Gibbons of Baltimore is expected today. The committee on social problems met today to formulate plans for social service by all Roman Catholic bodies.

The purpose of this gathering of the national federation is defined by Charles P. Daly, assistant secretary, as to cultivate peace, destroy bigotry and prejudice and to place the Catholic Church in a true light before the American people. The federation labors unceasingly to unite with non-Catholics who are necessary for the solution of the problems of the day and the redress of the evils which menace the stability of the nation."

DENIES ATTEMPT Some time ago Pie, James Lackey of the 142nd Battalion was said to have been suffering from carbolic acid poisoning, taken with intent.

Pie, Lackey was examined by a camp doctor before he had an opportunity to give his side of the question, and today, the first time he has been in London since he came to The Advertiser and explained the situation.

"I was taken ill suddenly on the street, and my pocket, he said, 'I had no intention, never had, and hope I never will have any excuse for taking poison. It was in my pocket, bought for another purpose, and someone came to the conclusion that I had taken from the bottle, as some of the police officers will tell you. The doctor who pumped me out found no trace of poison. I want to put myself right, that's all.'"

This statement is confirmed by police officers, and they say the man never attempted to commit suicide.

He has been a splendid member of the battalion, and did all he could to make the regiment efficient.

Financial, Market and Commercial Section

THE LOCAL MARKET

There was only an average-sized market this morning in spite of the fact that many of the products are more plentiful. This is attributed to the fact that the farmers are busy with the crops and cannot spare the time to come into market.

Nearly all the smaller fruits were scarce, but the large supply of apples. The majority of them were of better quality than those offered during the past weeks. They brought from 50c to 60c a bushel. Plum were more plentiful, selling at 50c to 60c a basket.

A number of changes were noted in poultry prices. Young chickens, also sold for 15c and 17c a pound. Dressed chickens sold at 20c a pound. Old fowl sold at 15c. Butter in crocks went at 20c. Creamery butter sold at 33c a pound. In store butter went at 27c. Eggs were slightly higher, selling at 23c to 30c.

Practically no oats were offered. They are now bringing as high as \$1.85 and \$1.90 a cwt. Rye, however, was plentiful, with a lot of it selling at \$2 a bushel. Tomatoes were scarce, but more were of the home-grown variety. Hardly any of the better quality were offered. They brought from 30c to 40c a basket, and in some cases a dollar.

Wheat remained at \$1 a bushel. Hay was scarce, bringing \$1.60 to \$2.50 a ton. The dressed variety sold at \$12 a cwt. The dressed variety was slightly higher, selling at \$15.50 and \$16 a cwt.

GRAIN.
Winnipeg, Aug. 18.—Wheat closed here today 5 1/2c higher for No. 1, 5 1/2c higher for No. 2, and 5 1/2c higher for No. 3. Barley was 2 1/2c higher. Flax gained 1c in October, 3c in November and December.

Though the trade was professional today and of medium volume, wheat made a sensational advance. The price worked steadily higher during the day, and even the offerings by the profit-takers were sometimes heavy, they were well absorbed. Most of the trade was shipping and spreading.

The cause of most of the buying was the further reports of damage through the prairie provinces.

The cash market saw a good demand for wheat and oats, with light receipts in both. Cash rates for No. 1 northern, \$1.30 1/2; No. 2 northern, \$1.28 1/2; No. 3, \$1.26 1/2; No. 4, \$1.24 1/2; No. 5, \$1.22 1/2; No. 6, \$1.20 1/2; No. 7, \$1.18 1/2; No. 8, \$1.16 1/2; No. 9, \$1.14 1/2;
