PAINT SHOP HANDLES ONLY HIGH-GRADE GOODS

Unqualified Money-Back Guarantee Given With Each Purchase Made.

Following a policy of selling reliable paints at popular prices has proved

Dundas street, near Wellington, but last November it was found necessary to secure new and large premises on Richmond street.

"We have the largest stock of paint supplies and accessories, such paint supplies and accessories, such as ladders, scrapers and knives, etc., in Western Ontario," said Mr. Eckert. There is everything here from ship bottom paint to artists' colors. And in brushes we have everything from the finest camel hair article for artists to scrub brushes."

Everything sold in The Paint Shop is covered by a guarantee. "We want our customers to be entirely satisfied. If there is any fault to find with merchandise we will gladly refund the money," said Mr. Eckert.

Owing to the fact that it buys on a cash basis and sells for cash, and that there is but little overhead expense. The Paint Shop is in a position to quote exceptionally low prices.

The Paint Shop, "The Red Front Store That Saves You Money," extends a cordial invitation to "come in and talk your painting problems over with our experienced staff; we

and talk your painting problems over with our experienced staff; we are glad to help you. We have bought very extensively for this year of the best goods obtainable. In dealing here you will have plenty of choice be sure of getting the right oods for your particular work and

"As we rely wholly on quality and "As we rely wholly on quality and price to sell our goods, having reduced costly delivery, bad debts and other high overhead costs to a minimum, together with our quantity cash buying facilities, we are enabled cash buying facilities, we are enabled to give the consumer the benefit of the difference thus saved. This policy conscientiously pursued has given us the greatest advertising medium in the world—satisfied customers, who tell their friends and neighbors when they buy a good article at a reasonable price."

All Building Needs Supplied by Copp

York Street Firm Adheres to Standard of High-Class Service.

Hundreds of local factories, churches schools, residences and other buildings have been erected with materials from ness of this establishment has attained maker, as any one of the hund customers of Ruth's will testify. great proportions.

"The building supply business," says William Copp, the manager, "is one in which the dealer cannot appeal to the public by resorting to frills. Instead he must depend upon plain, everyday methods to better his trade. That is methods to better his trade. That is our aim here. We have always maintained a standard of keeping only thoroughly reliable lines of building material, and it is to this that we attribute our constantly increasing trade."

When a contractor undertakes to build a bouse or some other imposing When a contractor undertakes to build a house or some other imposing

build a house or some other imposing structure, he always goes to a reliable supply company, where he is assured of receiving quality for his money. The Copp supply firm is recognized as one of these. For this reason they are known as one of the leading concerns of this nature in the city. Long before the time when London had reached its present size and importance, this firm present size and importance, this firm was serving London contractors and individuals with materials necessary for constructors. anstruction work.

construction work.

All classes of lime, cement, tile, pressed brick, fireproof wallboard, and all other material needed in construction work are handled by the Copp concern.

Record In Oats On Kent Farms

Production of 91 Bushels 'An Acre Is Reported. Special to The Advertiser.

Chatham, Aug. 21. - Ninety-one bushels of oats to the acre from field that was last year devoted to sugar beets, is a record that ex-Mayor Fred P. Briscoe reported off his Raleigh township farm, He his Raleigh township farm. He threshed 824 bushels from 9 acres. Last year he had a record crop of sugar beets off the same field, and he maintains that the record oat crop this season shows that, contrary to general belief, sugar beets are not hard on land. A Dover farmer some time ago reported a yield of 80 bushels of oats to the acre, while several others report well over 70. Government statistics show the average oat crop for the county the past age oat crop for the county the pass three years from 42 to 48.

ELECTRICAL DEVICES LIGHTEN HOUSEWORK

Commercial Shop Is One of the Leaders in Its Line in London.

The nineteenth century was one o invention. Machines and processe were developed as never before. Anything to save manual labor was greeted with loud acclaim by manufacturers, and the scientific public Today in our factories nearly every operation is done by machinery. But for a long time the development of labor-saving devices for the home was neglected. It never occurred to science that the drudgery of housework needed lightening. But with the the last ten years in particular, whole cientific laboratories have been de voted to the means of lightening housework through electricity. Today almost any operation in the home almost any operation in the nome can be performed by electricity, and such shops as the Commercial Elec-tric can show you innumerable electric devices to make the work of

iousekeeping easier. In the Commercial Electric one car find everything that is new and mod-ern in the way of electric household devices. The very best makes are stocked. Here one can find every-thing from a foot-warmer to a washing machine. But besides selling washing machine. But besides seams appliances they will wire your house for you at the lowest possible rate consistent with good workmanship and the best of materials. They are willing to offer you gratis at any The Reliance garage, on Dundas

willing to their you grant activities expert electrical advice.

Many home owners think that their houses are modern when they lack that essential feature of modernity plenty of electrical outlets, to which the property of car owner many years' of real explenty of electrical outlets, to which electrical appliances can be attached. Is your home one of these? If it is you will be surprised with the small amount required to modernize your amount required to modernize your "Our expert mechanics know their work, and this makes it possible for house in this respect. Drop into the Commercial Electric, next door to the Grand Opera house and get an us to guarantee satisfaction in every ob we turn out."
A service truck is ready for calls which may come any time of the day or night. All that you have to do,

If you are planning a new home, whether it is to be a two-room cottage or a palatial residence, it will nay to get expert electrical administration. pay to get expert electrical advice on the matter of wiring it, and providing the very best illumination in it a the minimum of cost. Such expert advice you can always secure from the Commercial Electric.
