CAMPBELLTON FIRMS SHOW WORTHY SPIRIT

Proceeding in Business as if Nothing Had Happened—Results is Volume of Trade for

Wholesalers.

The indomitable will of the Campbellton people and the remarkable courage and determination displayed in their town, will mean a large amount of extra trade for the local wholesalers and manufacturers.

Already unusually large orders are pouring in, and the local houses expect to be kept busy during the next few weeks in supplying the demands.

To a Standard reporter yesterday several of the local shippers declared that practically everyone of their old customers had decided to rebuild their business.

BEGINNING WORK.

The Bank of New Brunswick was the first to commence the erection of a permanent building. A fine wooden building is being erected in the rear of the old site, while a large number of men are clearing the old site and will begin building at once.

MONCTON COUNCIL ROYAL ARCANUM

Responds Nobly to Call of Campbellton Fire Sufferers.

Moncton Council of Royal Arcanum has responded nobly to the fire sufferers of Campbellton Council. Two large cases of clothing, hats, caps, boots and shoes and some bedding will go forward today, and already the Supreme Council has sent \$200 in cash, which will be largely supplemented by the Maritime jurisdiction. The Grand Council will meet at St. Stephen on the 3rd prox., and ways and means will be devised for looking after the Campbellton brothers. Assisting a distressed brother and his family is one of the cardinal features of this fraternity and Moncton Council has fully exemplified it in deeds of kindness.

OUR FRIENDS.

It is indeed in the hour of trouble one discovers his friends. From readers of the Graphic in all parts of Canada and the United States we have received letters of sympathy and encouragement, many enclosing remittances to cover their subscriptions, and to all we wish to extend our heartfelt thanks for their kindness.

STRUCK BY LIGHTNING

During the heavy lightning and thunder storm yesterday morning the residence of Mr. John McKenzie, Douglastown was struck by lightning. The shingles were torn from the roof of the building. The lightning passed to the wood shed and passed down the pump. Mrs. McKenzie who was standing near the pump filling a bottle of water was reported to have been injured. Dr. Desmond was summoned and found that the lady was suffering from nervous shock. She is very much improved today. Mrs. Richard Anderson, an elderly lady residing just across the street also received a shock but not serious. The building was damaged to the extent of about \$35 and was insured in the Anglo-American company, represented by Mr. M. R. Benn. Mr. Benn looked after the claim very promptly.

THE CANADIAN MAGAZINE.

THE CANADIAN MAGAZINE for August is an unusually strong number. Perhaps the feature of most importance is a fine article by Professor W. L. Grant entitled "Goldwin Smith at Oxford." Professor Grant has been for some time lecturer on Colonial History at Oxford, and the researches for this article were made on the spot. There is also a splendid appreciation by Dr. A. H. U. Colquhoun, Deputy Minister of Education for Ontario, of the work and place of Goldwin Smith in Canada. These two articles are well illustrated. Professor Archibald MacMechan contributes an entertaining account of some early associations in Halifax. Mr. Arthur O. Wheeler, President of the Canadian Alpine Club, has a beautiful illustrated article on "Canada's Wonderland." The second act of Arthur Stringer's play "The Blot" is in this number, as well as some fine short stories.

Sackville, July 25—The General Committee of the New Brunswick Methodist Conference, at its meeting at St. John last week, decided to appeal to the churches throughout New Brunswick and Prince Edward Island to raise \$5,000 to supply the needs of the church at Campbellton. A special meeting of the Quarterly Board of the Sackville Methodist church has been called for Thursday in order to determine what steps said church shall take in regard of this matter.

AWFUL DEATH OF HOWARD DELANO

Struck with terrible force on the brain, by a peavey, which rebounded from the machinery, Howard Delano sustained such injuries in Sinclair's mill on Wednesday morning, that death resulted a few hours later. The accident which was the worst in the county for many years has cast a gloom over the community. The man was terribly bruised, the forehead being badly fractured. An Indian named Noel Barnaby also received injuries in the accident, but his condition is not serious. Mr. Delano was a valued employee of the Edward Sinclair Lumber Company and was well and favorably known.

The unfortunate man had been working as usual on Wednesday morning at the slasher. The machinery in some way became entangled and in his endeavors to straighten out matters, he used the peavey. Hardly had the hook entered the slasher when it flew back with great force. It struck Delano across the forehead, knocking him to the ground unconscious. The peavey also struck the Indian a heavy blow, but his injuries were not serious. Delano was picked up and carried to his home nearby. Medical aid was summoned from Newcastle and Drs. Pedolin and Desmond responded with great haste. They found the injured man in a very low condition but worked vigorously to revive him. The accident took place about 7.45 o'clock and when the physicians left on their return home, they entertained but little hope that he would survive. Dr. Pedolin went to the Bridge a second time and found Delano in a much worse condition. The injured man lingered until 1 o'clock when he breathed his last.

Delano's injuries were a fracture of the frontal bone with depression. The deceased was married and kept the cookhouse at Sinclair's mill. The accident marks the first fatality at Sinclair's mill and the sad affair is greatly to be regretted.

The sincere sympathy of the community will be extended to the bereaved family in the tragic death of Mr. Delano. The deceased is survived by his wife (formerly of Fredericton) two daughters, Nettie and Dorothy and one son Earl, and his parents and seven brothers.

A funeral took place on Friday the interment being made at the Derby cemetery. Over 100 persons followed the remains to the grave. The pallbearers were George Russell, Ernest Russell, John Curtis, John Creamer, Geo. Henderson, and Dennis McLean.

Some very pretty floral tributes were sent by Mrs. Gremley, Mrs. W. Morrell, Miss Jardine, Miss McIntosh, Mrs. Hubert Sinclair, Mrs. James Shultz.

ODDFELLOWS MEET

A meeting of North Star lodge was held on the new hall site, Roseberry St. with a large attendance. The matter of the distribution of the fund being raised by Maritime province lodges was thoroughly discussed. In Campbellton then an about sixty members who have lost all their property, and any assistance will be gladly received by the brethren.
