ANNOUNCEMENT EXTRAORDINARY!

ON ACCOUNT OF P. JAMIESON

being compelled to leave his present premises, for the purpose of remodeling and rebuilding, he will sell his entire stock regardless of prices, as it must be disposed of by the 1st of July. Having imported an unusually large stock this season, not knowing of the change that was to take place, he has consequently a full assortment of Scotch and English Suitings, English and Irish Serge Suitings, Trouserings of all the latest patterns and designs, Spring Overcoatings in endless variety to select from. His Ready-Made Clothing Department is complete, and he is prepared to show one of the finest stocks in the city. A want has long been felt where to get Boys' and Youths' Clothing at reasonable prices; it has now been supplied, as he is prepared to sell Boys' Suits at less money than you can buy the tweed and make them for.

He is prepared to receive offers for Job Lots from the Trade, as his whole stock must be sold out.
