which will begin its deliberations in this city on Friday, July 8, will be one of the most im-portant ever held in this country, and from the

portant ever held in this country, and from the work already mapped out for action the results will undoubtedly have a lasting effect on the tenets of the fellowers of the Jewish faith in America. It is expected that there will be not less than 250 delegates in attendance, representing every State in the Union, and it will be representative of both the orthodox and reformed branches of the faith. Not only will the most emiment rabbis be here, but they will also be accompanied by the Presidents and leading members of the largest congregations in the bigger cities. Almong the men who have risen to eminence who are expected to take a leading part in molding the work of the conference are Rabbis Wise, of Cincinnati; Hirseh and Sale, of Chicago, and Rabbi Adler, of this city. The chief work of the convention will be to endeavor to reconcile all existing differences between the Jewish congregations and place them on the same level with regard to forms, ceremonies and observances.

ARRESTED AT MONTREAL,

A Minister Held on a Grave Charge.
Schanton, Pa., July 2.—The Rev. Peter Roberts, pastor of the Plymouth Congregational Church here, was arrested to-day on a charge of conspiring to procure an abortion on a woman he had deceived. The woman was Anna Husabol. She states that she made Roberts' acquaintance while serving in the capacity of a domestic of a New Haven family, he at the time being a student in the Yale Theological College. Roberts was held in 1000 bail for his appearance at the next term of the Criminal Court.

THE UNIVERSITY CURRICULUM.

The Senate of Toronto University met last week and made some changes in the curriculum. The work for the junior matriculation for 1888 and caward was modified by the introduction of critical reading in pass English, physical geography, modifications of pass German and a paper on English, These changes are made to adapt the course to that prescribed for teachers' examinations. A statute permitting matriculation at the end of the second year was adopted.

Mr. Alfred Baker, the registrar of the University, presented his resignation, and President Wilson gave notice that at the next meeting he would move that some person be appointed to fulfil the registrar's duties until the new University Act be brought into operation.

A resolution expressing condolence with the relatives of the late Sir Matthew Crooks Cameron was adopted. The Senate will cooperate with the Canadian Institute in extending an invitation to the American Association for the Advancement of Science to hold their meeting of 1888 in Toronto.

Billous symptoms invariably arise from indigestion, such as furred tongue, vomiting of bile, giddiness, sick headache, irregular bowels. The liver secretes the bile and acts like a filter or sieve, to cleanse impurities of the blood. By irregularity in its action or suspension of its functions, the bile is liable to overflow into the blood, causing jaundice, sallow complexion, yellow eyes, bilious diarrhoa, a languid, weary feeling, and many other distressing symptoms. Biliousness may be properly termed an affection of the liver, and can be thoroughly cured by the grand regulator of the liver, and biliary organs, Bur-dock Blood Bitter.
