I am stronger and feel fine since then and am able to do my housework. I am willing for you to use these facts as a testimonial."—Mrs. J. C. GREAVES, Port Mann, B. C.

Rub it in for Lame Back.—A brick rubbing with Dr. Thomas' Electric Oil will relieve lame back. The skin will immediately absorb the oil and it will penetrate the tissues and bring speedy relief. Try it and be convinced. As the liniment sinks in, the pain comes out and there are ample grounds for saying that it is an excellent article.

HEADACHES FOR WEEKS They Soon Disappeared After Using Dr. Williams' Pink Pills

Every woman, at times, finds the routine of housework irksome. But how much more difficult are the daily tasks of the home to the woman who is nervous and run-down? She prepares meals for the family, but has no appetite for food. What she does eat distresses her, headaches and dizziness follow, there is a fluttering of the heart, and the complexion becomes pale. In cases of debility of this kind building up the blood is generally effective. By improving the quality of the blood and increasing its quantity, nourishment is carried to the shattered nerves. The appetite invariably improves and gradually the whole outlook of life is brightened. Mrs. Geo. Grant, R.R. No. 1, Markdale, Ont; tells for the benefit of others the great benefit Dr. Williams' Pink Pills were to her in a run down condition. She says, "If anyone can strongly recommend Dr. Williams' Pink Pills I feel I can. For over four years I had been troubled with my nerves, and for weeks at a time I would suffer terribly with headaches. My blood was very thin, I had no appetite, could hardly go about. I was afraid to stay alone in the house so I feared something would happen me. Finally I decided to try Dr. Williams' Pink Pills and they have made me a new woman, as I am now the picture of health. I have increased in weight, the headaches come no more, and my nerves are as good as ever they were. Before I began taking Dr. Williams' Pink Pills life was a burden; now I enjoy living, and I hope some other woman will take courage from my experience, for I feel sure that what this medicine did for me it can do for others." You can get these Pills from any medicine dealer or by mail at 50c a box from The Dr. Williams' Medicine Co.; Brockville, Ont.

NEPTUNE TO VISIT WORLD CRUISERS

The certificate as shown above will be issued to all passengers aboard the Empress of Canada who appear before Neptune, as did those passengers on the Empress of France last year, who are shown in pictures 2 and 3.

When to travel upon the sea was to venture in great danger it was usually thought wise by the voyagers to propitiate the god of the waters by making gifts to him before setting sail, and oftentimes, when Neptune displayed his wrath at sea, human sacrifices were made to him. To our superstitious ancestors the son of Saturn and Ops had great power over the waves, especially those of the sea, and had, therefore, in his hands the welfare of all vessels and their human and other freight. The worship of Neptune was early introduced into Rome, and July 23rd, "Neptunalia," was his feast. As science reduced the terrors of the sea, and education and higher civilization erased the sometimes terrible superstitions from the minds of the world, so the worship of and sacrifices to Neptune ceased, but even to this day he is venerated by many Latin and Scandinavian sailors and no ship crosses the equator without some recognition being made of him. Usually this takes the form of a burlesque performance in which those who are making their first "crossing of the line" are initiated into the mysteries of the deep. The unique photograph reproduced above was taken aboard the Canadian Pacific "Empress of France" while on a "Round the World" cruise last year. Neptune boarded the great liner in the early morning of the day on which the "line" was crossed, and held court. He was attended by the Royal Barber and other high officials who assisted in the initiation ceremony. Most of the passengers were summoned to his august presence and were tried for their misdemeanour, punishment or praise being awarded without favor. Those who produced evidence of having been "initiated" before were, of course, exempt from trial. This year, when Neptune boards the Empress of Canada, which leaves New York on a Round the World cruise on January 30th, his secretary will issue to all those who pass before the God of the Waters, certificates to that effect, which will be countersigned by Captain S. Robinson, R.N.R., who commands the vessel, and which, besides being valuable souvenirs of the trip, will exempt the holder from further trial.
