## CURES FOR THE UNCURED.

### Holloway's Ointment.

AN EXTRAORDINARY CURE OF SCORFULA OR KING'S EYE. Extract of a Letter from Mr. J. H. ALLDAY, 22nd of January, 1850.

To Professor Holloway. SIR,—My eldest son, when about three years of age, was afflicted with a Glandular swelling in the neck, which after a short time broke out into Ulcers. An eminent medical man pronounced it a very bad case of Scrophula, and prescribed for a considerable time without effect. The disease then for four years went on gradually increasing in virulence, when besides the ulcer in the neck, another formed below the left knee, and a third under the eye, besides seven others on the left arm with a tumor between the eyes, which was expected to break. During the whole of the time my suffering boy had received the constant advice of the most celebrated medical Gentlemen at Chertembam, besides being for several months at the General Hospital, where one of the surgeons said that he would amputate the left arm, but that the blood was so impure, that if that limb were taken off it would be then even impossible to subdue the disease. In this desperate state I determined to give your Pills and Ointment a trial, and after two months perseverance in their use, the tumor gradually began to disappear, and the discharge from all the ulcers perceptibly decreased, and at the expiration of eight months they were perfectly healed and the boy thoroughly restored to the blessings of health, to the astonishment of a large circle of acquaintances, who could testify to the truth of this miraculous case. Three years have now elapsed without any recurrence of the malady, and this boy is now as healthy as heart can wish. Under these circumstances I consider that I should be truly ungrateful were I not to make you acquainted with this wonderful cure, effected by your medicines after every other means had failed. (Signed) J. H. ALLDAY.

### CURE OF ACUTE RHEUMATISM OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. John Pitt, Dudley, 14th Jan., 1850.

To Professor Holloway. SIR,—It is with the greatest pleasure that I write to thank you for the benefit I have received from your Pills and Ointment, which have completely cured me of the Rheumatism, under which I suffered for this last four years, at times I was so bad as hardly to be able to walk. I had tried every kind of Medicine that was recommended without receiving any benefit. I at last thought I would give your medicines a trial, and purchased from Mr. Hollin, Chemist, of this Town, two Boxes of Pills, and two of Ointment, and in three weeks, through them and the blessing of God, I was restored to health and am now as well able to walk as ever I was in my life. I am well known in this parish, having been sixty-five years in it, with an exception of ten years I served in the 24th Regiment of Foot. (Signed) JOHN FITT.

### CURE OF A BAD LEG OF SIXTY YEARS' STANDING.

Mr. Barker, of No. 5, Graham's Place, Dryden near Hull, had a lesion on his leg from the age of eighteen until upwards of eighty, and although for many years he had sought the first advice, in the country, nothing was done to cure them. He very often suffered most excruciating pain for long periods together, which incapacitated him from attending to his business. He had given up all hopes of getting a cure, when at last he was persuaded by Mr. Holloway's Pills and Ointment, which he did, and however wonderful it may appear, the leg was thoroughly healed by their means, and by continuing to use the Pills alone after his leg was well, he has become in health so hale and hearty as now to be more active than most men of fifty. N.B.—The truth of this extraordinary statement can be vouched for by Mr. J. C. Reinhardt, 22 Market Place, London, who states that he was cured of a DESPERATE CASE OF RING-WORM OF SIX YEARS' STANDING. (Linn, 13th of November, 1849.)

One of the most eminent Surgeons in Lima (the Capital of Peru) had a child covered with Ring-worm for more than 6 years, in vain he exhausted all his art in his endeavours to effect a cure. Not succeeding, he consulted among his brethren, the most celebrated medical practitioners of the City, but nothing was found to do the child any good. While he was thus persecuted by Mr. Joseph P. Hegon, the English Chemist and Druggist, residing at No. 74, Calle de Palacio, to try Holloway's Pills and Ointment, which was done, and after using six large Pots of Ointment, and the Pills, the child was radically cured, to the surprise of the whole medical profession. The name of the parent, from motives of delicacy, is withheld.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs, Bad Breasts, Burns, Boils, Bites of Mischetoes, and Sand Flies, Fistulas, Coco-Bay, Gout, Glandular Swellings, Lumbago, Piles, Rheumatism, Scalds, Sore nipples, Chigo-foot, Chills, Chapped hands, Corns (soft), Cancers, Contracted & Stiff-joints, Elephantiasis, Sore throats, Skin diseases, Scoury, Sore heads, Tumours, Ulcers, wounds, Yaws.

Sold by the Proprietor, 244, Strand, (near Temple Bar) London, and by all respectable Vendors of Patent Medicines throughout the Civilized World, in Pots and Boxes, Is. 1/6, 2/6, 4/6, 6/6, 10/6, 20/6, and 25/6 each. There is a very considerable saving in taking the larger sizes.

N.B.—Directions for the guidance of Patients are affixed to each Pot or Box.

ODELL & TURNER, St. Andrews. Wholesale Agents for Charlotte County. CAUTION!—None are Genuine unless the words "Holloway's Pills and Ointment, London," are engraved on the Government Stamp, pasted on every Pot and Box; with the same words woven in the water-mark of the Books of directions wrapped round the packages.

Should unprincipled Vendors recommend parties asking for Holloway's Pills and Ointment not to buy them, but to take something else in their stead, they do so only for the purpose of getting a greater profit by what they wish them to purchase.

profound research, tested and sustained by

practical experiment. The contributions of

Professor Norton are chiefly designed to adapt

the British portion of the book to this country,

and thus to make it an Anglo American work,

giving to its readers all the really useful agri-

cultural knowledge at present attainable in

either country.

The work is divided into four departments,

distinguished by the four seasons of the year

commencing with Winter, and Prof. Nor-

ton's notes will be published as an appendix
