

LA GRIPPE

This distressing and unfortunately very common malady easily takes rank among the very "menaces" of the diseases to which people living in this climate are liable.

La Grippe is no respecter of persons; it attacks the young and the old, the rich and the poor with the utmost impartiality.

Except in the cases where Pneumonia develops, La Grippe is seldom directly fatal; the real danger lies in the after effects.

This condition is fraught with danger and demands instant and intelligent attention, the system must be built up and restored to a normal and healthy condition—advice easy to give, often very hard to follow.

The appetite is liable to be poor and the digestion impaired so that it is almost impossible to consume and digest sufficient ordinary food to do the work quickly and effectively.

Two or three bottles of FERROL, taken after the acute stage of La Grippe has passed, will do more to repair damages than can possibly be accomplished in any other way.

FERROL

a scientifically prepared emulsion of Cod Liver Oil, Iron and Phosphorus, palatable, digestible and effective. FERROL contains just what the run down system needs and all it requires.

Cod Liver Oil to restore the lost flesh and make what is left firm and healthy. Iron to enrich the impoverished blood and restore elasticity and firmness to the relaxed muscles.

Phosphorus to tone the nerve and brain as nothing else will.

Try it and see.

Grippe or Influenza, whichever you like to call it, is one of the most weakening diseases known.

Scott's Emulsion, which is Cod Liver Oil and Hypophosphites in easily digested form, is the greatest strength-builder known to medical science.

It is so easily digested that it sinks into the system, making new blood and new fat, and strengthening nerves and muscles.

Use Scott's Emulsion after Influenza.

Invaluable for Cough and Cold.

THE Greatest of Tonics

PSYCHINE

(Pronounced Si-KEEN.)

FOR ALL THROAT AND LUNG TROUBLES

Twenty-five years' successful record

Money can buy advertising space, but it can't buy a quarter century's successful record of wonderful and almost miraculous cures of the most difficult and intricate cases of throat, lung and stomach troubles. Such is Psychine's record. Thousands of cases given up by leading doctors as hopeless and incurable have been quickly and permanently cured by Psychine. It is an infallible remedy for coughs, colds, bronchitis, pneumonia, consumption, indigestion, loss of appetite and all wasting diseases.

My son had a terrible cough and was unable to sleep. He was sent to a doctor, who said he could not cure it. He used Psychine, and it cured him. - Mrs. J. B. Jones, Toronto.

Psychine Never Fails. Psychine has no Substitutes.

AT ALL DRUGGISTS, 50c and \$1.00 A BOTTLE.
