

The Weekly Monitor

Established 1873

Under new management since June, 1917.

O. S. DUNHAM, Editor and Manager

WEDNESDAY, January 11th, 1922.

NOTICE TO SUBSCRIBERS

We regret to say that there are a number of our subscribers who, so far, have failed to call and settle their 1921 accounts. We would say to them that they must do so at once, as we must have all 1921 accounts settled by the end of January.

We do not want any subscriber who cannot settle once a year. If you want to keep your credit good with us, remit at once.

UNBELIEVABLE FACTS

It is almost unbelievable but too true, that there are subscribers on our books who have not made The MONITOR a payment for five years, who are still living and pretend to be honest and up-right citizens. In this connection we are tempted to offer a cash prize of \$5.00 to the individual who submits, either in prose or poetry, the most fitting tribute to these delinquents. And another unbelievable, but true statement, is that when we leave one of these bills for collection the subscriber, when compelled to pay the bill, prides himself in having the paper discontinued, thinking he is injuring us. When on the other hand it is a pleasure to remove such names from our books and how much better it would have been for all concerned if these names had been removed ten years ago. There is no limit to the nerve of a delinquent subscriber.

BOYS' WORK

The Boys' Work Board has selected George Foster leader, John Roberts, and James Fay, one boy from each of the local protestant churches as the team to represent Bridgetown in the Tuxis debate to be held in Mid-Atlantic early in February. Prof. A. E. Balcom, of Acadia University, has agreed to act as Bridgetown's judge. It is hoped that the citizens will give the boys the same strong support as last year.

Taylor Statten, of Toronto, Boys' Work Secretary for Canada, and A. M. Gregg, of St. John, Boys' Work Secretary, for the Maritime Provinces, will be the speakers at the Father and Son banquet to be held in Bridgetown Thursday, February 9th. This will be a great event. There should be a large gathering. Men and boys lay your plans now. Watch for further announcements.

BRIDGETOWN PUBLIC LIBRARY

The first yearly meeting of the committee of management of the Bridgetown Public Library took place January 6th, 1922. A prosperous and encouraging year was reported with increasing attendance and interest. At this meeting it was decided that owing to trouble arising from irregularity in the returning of books the Library will be opened ONLY on Tuesday afternoons, one to six, and Saturday afternoons, one to six, and one to ten. Subscribers, members and patrons of the Library will please take notice, as by order of committee, books will not be taken or given out at any other time.

The committee is ordering a supply of more books to meet the demand of the public.

ANNUAL CHURCH MEETING

Next Monday is the day set by Statute for annual business meetings of all church of England parishes and missions throughout the Diocese of Nova Scotia. That for the parish of Bridgetown will be held in St. James' Church school room, Bridgetown, in the evening commencing at 8 o'clock sharp. Apart from routine business several special matters are down for discussion, notably the enlargement of the school room and as this is a very important matter all parishioners are urged to be present. The hour has been made 8 o'clock for the convenience of those living at a distance.

POLICE NEWS FROM DIGBY

Four arrests have been made for breaking plate glass. The new chief police has been dismissed for the present and Officer Raymond Mitchell of the Halifax police force, is in charge. Detective Kennedy returned to Halifax via Monday's express but will return next week to be present at the trial of the four men under arrest.

CALENDARS

We have received the following this week: From Mr. E. C. Hall, one containing a map of the world, issued by the Confederation Life Insurance Co.; J. R. Dodge, Middleton, agent for Ford cars, trucks and tractors.

Local Happenings

The Municipal Council is in session in Annapolis this week.

The Bridgetown schools opened last Monday with the regular staff of teachers.

Dr. Miller, Supt. of the N. S. Sanatorium, will be at the Digby Clinic this (Wednesday) afternoon from 2 to 4 o'clock.

Mrs. S. C. Turner has an Easter lily that began blooming before Xmas and is still continuing to bloom as it springs time were here.

All the members of "Nowagrow" Club are invited to meet at the home of Mrs. Fred E. Bath Thursday evening, January 12th, at 7:30.

Halifax Chronicle: 1921 has to its credit a bumper apple crop, nearly two million barrels from the valley alone—and the surface only scratched as it were.

The installation of officers will take place in Autumn Leaf Rebekah Lodge, No. 41, I.O.O.F., Monday evening, January 16th. A full attendance is requested.

The students from Bridgetown and vicinity who spent their Christmas holidays at home, have returned to the various Universities which they are attending.

There will be a practice of the In-litatory degree in the Oddfellows' Lodge to-morrow (Thursday) evening, January 12th. A full attendance of the regular officers is requested.

The service in St. Mary's Church, Belleisle, next Sunday afternoon will commence at 2:30 instead of 3 o'clock, and be followed by the annual meeting of the congregation.

This Wednesday evening the third of the series of social gatherings held under the auspices of St. James' Church Bible Class, will be held in the school room from 8 to 10.

On account of the storm on Thursday the Women's Institute did not have a meeting, so they will hold their regular monthly meeting on Thursday afternoon, January 12th, at 3:30, in Board of Trade rooms.

The MONITOR'S increasing circulation outside of Annapolis County evidently worries the Editor of an old established paper which, at one time, had considerable more circulation than it is reported to have at present.

A special train on Wednesday conveyed the D.A.R. officials and several station agents, including Messrs. O. C. and W. V. Jones, of Bridgeport, to Yarmouth. Mr. Geo. E. Graham, the popular general manager, entertained them at a dinner at the Grand Hotel. They returned at an early hour Thursday morning.

Mr. J. F. Titus, formerly of Hants County, Annapolis County, is now with "The Wanderers," featuring the Inter City Five Orchestra, holding their first dancing party in the Masonic Temple, Youngstown, Ohio, last night, Tuesday evening, January 10th. Mr. J. F. Titus and his partner, Mr. W. J. Neville, Jr., has the Editor's thanks for a nicely printed invitation card.

FIFTY YEARS OLD

Gordon Providence United Church will be celebrating its fiftieth anniversary of the opening. Dr. Hertz, the pastor at the time of the opening of the church fifty years ago will (D.V.) be the special preacher at the morning service on Sunday, the 22nd of this month, when the celebrations are to begin. The celebrations are to include the two Sundays, 22nd and 29th, and to extend through the week, something special being arranged for each night. A full programme of the proceedings will appear in The MONITOR next week.

THE WEEK OF PRAYER

The union services of prayer held by the Baptist and United Churches last week were most successful. The vestries were completely filled on several evenings. An offering was taken to meet Bridgetown's allotment of thirty-five dollars for Interdenominational Sunday School work. The complete amount was realized. This evening, January 11th, the two congregations will meet in the Baptist vestry for a united prayer meeting.

A GIRLS' WORK BOARD FOR BRIDGETOWN

On Thursday evening of this week, the C. G. I. T. leaders, the pastors' wives, and chosen representatives from each of the protestant churches will meet in the Board of Trade rooms for the purpose of organizing a Girls' Work Board. One of the first duties of this Board will be to plan for the expected visit of Miss Mary Allison, Girls' Work Secretary for the Maritime Provinces. Miss Allison intends to spend some time holding conferences for leaders of girls in the valley towns. The work which she is doing is of a constructive nature, and our leaders are looking forward to these conferences with great expectations.
