

Apple Delecto

A Sound, Wholesome Fruit Product

(Government Report)

YOUR cakes and pastries are now greatly improved by using "Delecto", the new fruit product made from apples grown in your own orchards.

You not only improve the flavor by combining "Delecto" with other fruits but the enhanced food value is of such vital importance that you cannot afford not to have it always on hand.

Just try it in your rich fruit cake by substituting "Delecto" for half the other fruit and note the difference. No need to add a lot of spices and flavoring essences, the concentrated apple juice has a flavor of its own.

MANIPULATION OF SUGAR PRICES

Members of House of Commons Told That The Advance Is Not Justified.

Ottawa.—Manipulation of sugar prices by which skyrocketing took place which was not justified by sugar crop conditions, was brought to the attention of the House of Commons Agricultural Committee by Tom King, formerly member of the Canadian Parliamentary Press Gallery, but of recent years located at Washington, D. C.

Mr. King declared that Government manipulations in the United States had shown there was no actual shortage, and the recent rapid price advances had not been justified.

Washington believed there was a deliberate, widespread conspiracy, perhaps implicating some corrupt United States official. Cuba had been asked or warned by the United States to reduce her sugar production, Mr. King stated. This was because Cuba production was hurting the United States sugar industry.

"Is there anything we can do to help ourselves in this country?" the Chairman asked.

"I am told that the prices of sugar is decided in New York, and in Canada freights are added," said Mr. King.

The United States Government and the consumers could break the corner "if they had sand enough," witness stated. The present sugar situation had become a scandal.

PORT LORNE

April 26th and still snowing, also lots of ice in the Bay. Not much like Spring yet.

S. S. Ruby L. II landed a large quantity of freight for our merchant last week.

Mr. Johnson Beardsley is now doing business in the store formerly occupied by his father, the late Capt. Freeman Beardsley. We wish him every success.

Mr. Herbert Wilkins has bought Mr. Stephen Neaves' place. His family came from St. John a few days ago.

Repairs are being made in the church. Messrs. Melburn Charlton, Albert Marshall and J. D. Brinton are doing the work.

Mrs. T. S. Brinton is spending the week with Mr. T. W. Templeman.

Mr. and Mrs. Freeman Brinton have returned home after spending the Winter in Halifax at the home of their daughter, Mrs. J. Edwards and Mr. Edwards.

George Risteen has gone to the United States to seek employment.

Mr. Morgan, fish warden, was calling in the village a few days ago.

Following the suggestion of the Paradise correspondent, will any person who has news items they would like printed please leave them at the Post Office, Box 6, or send them to me, it would help us and prevent a lot of fault being found with correspondents for not having those items sent to the papers.

Thirteen dollars and fifty cents was realized at our ice cream sale on Wednesday evening at the home of Mr. and Mrs. Stephen Neaves. Proceeds for Church purposes.

Mr. and Mrs. A. C. Clark of Upper Granville, visited friends here on Wednesday, April 25th. Mrs. Clark visiting her sister, Mrs. Charles Beardsley, it being Mrs. Beardsley's birthday anniversary several friends called to see her.
