### A CLEAN SKIMMER

Messrs. Richardson & Webster, St. Marys, Ont., July 27th, 1897.  
GENTLEMEN: In reply to your letter of the 22nd, I would say the American Cream Separator that I purchased from you last fall with the intention of buying a separator, after looking over the different makes, I concluded to buy the "American" as it has given me entire satisfaction. I find it runs easy, is not trouble to keep in repair, and it is a clean skimmer. In my opinion it is the most perfect machine on the market.
