"I have much pleasure in recommending THE CANADA CHRISTIAN MONTHLY as being in all respects what it professes to be, and not like others of our so-called religious periodicals—instruments for letting the Church down to the level of the world.

"Those who wish religious reading, safe, solid, and interesting, will find that in its pages, without the garnishing of novels or narratives, whence no nourishment for the soul and strength for glorifying God can possibly be extracted.

"JOHN MCTAVISH."
