VOL. V.

TORONTO, JANUARY 24, 1894.

NO. 1.

## ANNOUNCEMENT.

BY THE PUBLISHERS OF "THE DOCKET."

*We beg to inform the profession and the public generally that a change has been made in the management as well as the proprietorship of "The Docket," since its last issue.*

*We are aware, from reports made to us and our agents, that during the last year or two the journal has not been delivered to subscribers with proper regularity. Although not responsible for this, we regret that such has been the case, and we have made systematic arrangements for a sure delivery of all future issues, intending to keep faith with our subscribers and do as we would be done by.*

*We would ask those who have felt justly annoyed at not receiving copies of "The Docket" to once more give the journal that support which we intend it shall serve during this and succeeding years. Any suggestions will be gratefully received, and any complaints promptly remedied.*

*Attention is called to the Assize lists issued as a supplement to "The Docket." By reason of the increasing list of our subscribers, we are able to publish these in connection with "The Docket" for an almost nominal additional sum.*
