

CHILDREN'S PREMIUMS.

We want all our young friends to go to work at once and assist us in circulating the *Advocate*, and we promise to pay them liberally for their labors. It is surprising what little folks can do when they set about any good work in *real* earnest. Nothing shall be wanting on the part of our Junior Editor to make the "Children's Portion" of the *Advocate* interesting, and if every little reader of these columns would only go around and show the *Advocate* to their friends, we feel assured, that each could soon get up a club of subscribers. Now is the time to undertake the work in order to succeed. Many will desire the first number of the Magazine as it commences with introductions to the "Home Circle," "Children's Portion," and Editor's Remarks, portions which every subscriber will desire to see. We have provided a large number of handsome Premiums which will be distributed as follows:—

A beautiful FLORAL AUTOGRAPH ALBUM, worth \$1.50, will be sent to any of our little readers who will get up a club of six subscribers for the *Advocate* for one year at 50 cents each. Should any raise a club of TEN, we will, in addition to the Autograph Album, send a nice SCRAP ALBUM, value for \$1.00. Those who may not be able to raise over two or THREE subscribers will be entitled to a neat little Testament, Autograph Album, or some other handsome present.

Should none of the above Premiums be desired by any of our little workers, we shall be pleased to send them anything they may wish, of the same value, instead, that can be sent by book postage. When sending list of subscribers only let them state what they wish most—as premiums—and if they are to be had, we will comply with their wishes. We have lots of nice things in stock, suitable for children, and if all our little workers could only give us a call, we think we could give them just what they want.

We have nice pocket Bibles varying in prices from \$1.50 to \$5.00 each. Should one of these be preferred to other premiums we will print any name desired on cover in gold letters free of charge.

All orders should be accompanied by Cash, and the Premiums will be mailed at once on receipt thereof to any part of Canada, the United States or Great Britain.

 See how to send Money, &c., on second page cover.

We will send a number of copies of the *ADVOCATE* free, for samples, to all little folks who intend getting up clubs for it, if they give us their address.
