

MALTOPEPSYN

ARTIFICIAL

GASTRO
JUICE

The prevalence of Indigestion and Dyspepsia is one of the most serious facts of modern life. Nearly every one suffers more or less from the insidious attacks of this Scourge to Humanity, and it seems to be impossible even when following the best established Dietetic rules, to entirely evade the subtle attacks of this foe, which, though comparatively light at first, usually run into the more confirmed or Chronic state of the Disease, especially if these first attacks are neglected and allowed to recur frequently.

Most of the leading physicians in Canada have tested and are now using Maltopepsyn in their regular practice, and have certified as to its great value. Besides private practice, it is used to a large extent in Hospitals, Dispensaries and Infirmaries.

Maltopepsyn has been proven to be of great value in the treatment of Dyspepsia, Indigestion, Loss of Appetite, Intestinal and Wasting Diseases, Constipation, Nausea, Chronic Diarrhoea, Headache, and all diseases arising from Imperfect Nutrition.

ALL sufferers from Indigestion, Dyspepsia, or any disease of the Stomach or Digestive Organs, should send me one three cent postage stamp, for a pamphlet relative to the positive cure, by the use of Maltopepsyn, or send two three cent stamps for pamphlet and sample package of Maltopepsyn, containing two drachms, equal to eight doses of fifteen grains each. It is pleasant to the taste and may be taken in wine, water, or dry upon bread as preferred, just before each meal.

Regular sized bottles, containing $1\frac{1}{2}$ ounces, with dose measure attached, price fifty cents, can be obtained from Chemists throughout the Dominion, or mailed free by the proprietor on receipt of fifty cents. Each bottle holds 48 fifteen grain Doses, or about one cent per dose.

Maltopepsyn is not a patent medicine or secret remedy; it has its exact formula printed on each label.
