OUR TARIFF EDITION.

In the last issue of this journal was quoted the expressions contained in letters received from some of our correspondents regarding our recently published tariff edition of **THE CANADIAN MANUFACTURER**. Following are more of the same sort :

O. P. Austin, Esq., Chief of United States Bureau of Statistics, Department of Commerce, Washington, D.C. : I have your letter indicating that you had forwarded to me another copy of **THE CANADIAN MANUFACTURER** of September 4 containing the tariff of Canada, United States, Great Britain, Australia and South Africa, for which I thank you. I had already noted the publication with interest. I have one copy carefully filed for use in the library and one for use in the consular division of this office, and I am glad to have the third copy for use in my own library at home. I congratulate you on your enterprise in bringing together the tariff of the principal English speaking countries of the world.

Dominion Dyewood & Chemical Co., M. J. Taylor, manager, Toronto : Your tariff edition will certainly prove very useful for reference and be appreciated by us and all manufacturers and business houses.

Wilson Bros. Bobbin Co., Liverpool, England : Your tariff edition is certainly very seasonable. We shall keep it for reference.

Ryrie Paper Co., Toronto : It is of exceeding interest, especially at this time when Canada is endeavoring to enlarge her foreign trade.

The Foreign Buyer Publishing Co., New York City : The tariff edition of **THE CANADIAN MANUFACTURER** is undoubtedly a very valuable publication which cannot fail to be of great service to importers and exporters in the countries covered by it.

James A. Cantlie, manufacturers' agent, Montreal : I consider the tariff edition of **THE CANADIAN MANUFACTURER** an admirable production, and reflects much credit upon the publishers for the care bestowed on such a complicated work. It is a ready reference for those engaged in the importing and exporting business, and it will, I have no doubt, find its place in every important business office in the Dominion.

T. D. Wardlaw, Toronto, Canadian agent for the Geegy Aniline & Extract Co., New York : I am delighted with the tariff edition of **THE CANADIAN MANUFACTURER**. It is complete and easy for reference. In my travels I find it prominently displayed in the offices of most of the manufacturers on whom I call, and it is referred to as an authority in tariff matters.

The Intercolonial Coal Mining Co., Charles Fergie, general manager, Westville, N.S. : Your tariff edition is most conveniently arranged, and you are to be congratulated on the enterprise and ability displayed in giving the trade a publication of this sort.

The Crown Cork & Seal Co., Baltimore, Md. : We are very much pleased with your tariff edition, and find it very useful to us.

The National Reciprocity League, Chicago, Ill. : The infor-

THE CANADIAN MANUFACTURER

Reaches all the Blast Furnaces, Iron and Steel Works, Rolling Mills, Manufacturers of Iron and Wood-Working Machinery, Steam Engines and Boilers, Pumping and Mining Machinery, Electric Machinery, Textile, Pulp and Paper Mill Machinery, Water Power Plants, Cement, Sewer Pipe and Terra Cotta Works, Dealers in Steam Fitters' and Plumbers' Supplies, and all Hardware Merchants in Canada.

mation contained in your tariff edition makes it a very valuable reference book. We are satisfied that our importers and exporters will value it as a book of complete information on the tariffs of the countries alluded to.

J. Castell Hopkins, editor, **The Canadian Annual Review**, Toronto : The tariff edition of **THE CANADIAN MANUFACTURER** is a most valuable publication, and you are to be congratulated upon its appearance and usefulness. I have preserved your previous tariff editions and find them very serviceable.

The Freyseng Cork Co., Toronto : Your tariff edition contains very valuable information which should make it welcome in importing and exporting houses. We know it will give satisfaction.

The Vermont Farm Machine Co., Bellows Falls, Vt. : It is a valuable publication for those who have occasion to refer to the tariffs of the countries alluded to.

Canada Wood Mfg. Co., Farnham, Que. : We appreciate your tariff edition. It will be of value to us, and we consider the publication of value to all business men.

The Lowell Crayon Co., Lowell, Mass. : It will be of much value to us in our business.

Bracebridge Woolen Mills, H. J. Bird, proprietor, Bracebridge, Ont. : We have hung up your tariff edition in the place of the old one, which we found very useful ; and the present one will more so because of its wider scope.

The Sydenham Glass Co., Wallaceburg, Ont. : We feel that we would be remiss in our duty were we not to express our appreciation of your tariff edition. It is just the thing needed by busy men.

Otterville Mfg Co., Otterville, Ont. : We are much pleased with it, containing as it does such a great amount of valuable information for both importers and exporters.

Sawyer & Massey Co., Hamilton, Ont. : We appreciate your tariff edition very much as every business man will do. We prize our copy very highly.

Empire Mfg. Co., London, Ont. : We consider your tariff edition a very valuable publication, especially to those doing an import and export business.

Montreal Electric Co., Montreal : Your tariff edition has evidently been compiled with great care, involving much labor. It will be found a most useful book of reference in the office of any concern engaged in importing and exporting. We certainly intend to preserve our copy for reference purposes.

(Other chapters of this interesting story will be published in our next issue.)

PREMIER BALFOUR ON THE SITUATION.

The London Daily Graphic contains a summary of Mr. Balfour's famous pamphlet on British free trade, from which we quote :

The ocean we are navigating is smooth enough, but where are we being driven by its tides? Does either theory or experience provide any consolatory answer to this
