

TRADE "OVERLOCK" MARK.  
MACHINE.

Extract from the Report dated July 26th, 1899, of the U. S. Consul at Nottingham, England.

"The Overlock stitching device of Willcox & Gibbs has had a phenomenal success since the date of its introduction. . . . The keen competition among manufacturers has necessitated its use both as a matter of economy and to improve the character of output for a discriminating market

*Messrs Willcox & Gibbs S. M. Co. City*

*Gentlemen,*

*We have much pleasure in informing you as the fact that according to telegraphic advices received today from St. Louis, we have been awarded the "Grand Prix" for Underwear at the Louisiana Purchase Exposition*

*To not a small extent we attribute our success to the splendid work of your 'overlock' and filling machines. -*

*Very truly yours*
