The Academy Class of '98 included 28 members. Of these, 25 received diplomas. The total enrolment in the school for the year is 86; 14 from New Brunswick, 6 from Prince Edward Island, 2 from United States, and 64 from Nova Scotia. The work of the year has been most successful, and Principal Oakes and his efficient staff of instructors, are to be heartily congratulated upon the results attained. The examination of the work of the Manual Training Department, which is under the charge of Mr. Geo. McKinnon, B. A. Sc., was very pleasing and satisfactory.
