Medal of Honor and Perfection

At PARIS, 1878,

This being the HIGHEST and ONLY AWARD given for

LINEN RECORD AND LEDGER PAPER.

Also, the only Gold Medal given for Ledger Paper at the Adelaide, Australia Exposition, 1881.

A SPECIALTY.

THIS paper has received THE HIGHEST PREMIUM over all others from the Cincinnati Industrial Exposition, Massachusetts Charitable Mechanics Association, Franklin Institute of Philadelphia, Louisville Exposition, Medal and Diploma from United States Centennial Commission, Medal of Progress, Boston, 1875, and Medal of Improvement and Progress, American Institute, 1877, and ADVANTAGES are as follows: 1. It contains more linen than any other Ledger Paper has a longer fibre, and is consequently, tougher. 2. Having a harder and better body, and being more thoroughly sized, the ink spreads less after making an erasure. 3. It is more uniform in Weight, Color and Finish. 4. It never cookies if properly bound. 5. Its non-chemical action upon ink is such that it both writes and erases better. For proof of the foregoing refer to a large number of Stationers, Bookbinders, Bookkeepers and Recorders, who have given it, after a severe test, the preference over all others. This paper is Double Sized and will stand any climate or the most acid of the fluid inks.
