And then I saw the clerk that laughed at me and smiled at him and bowed; and since then he has been buying all his gloves at the store. I told him I thought he used a great many pairs of gloves, and he said they wore out very fast counting money. He is dreadful particular about his gloves, and if there is nobody in the store but me he is sometimes half an hour picking out just the kind he wants.

Pa has bought a splendid gold watch—a real stem-winder; and we—"Jones & Co."—have bought a nice large lot out on Governor Stanfords new cable railroad, and paid for it; and if the times are good this summer, as pa thinks they will be, we shall have a house of our own again.

Is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and most effectual alterative available to the public. The sciences of medicine and chemistry have never produced a remedy so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face-grubs, Pustules, Blotches, Boils, Tumors, Tetters, Humors, Salt Rheum, Scald-head, Ring-worm, Ulcers, Sores, Rheumatism, Mercurial Disease, Nouralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood and cause derangement and decay. It stimulates the vital functions, restores and preserves health, and infuses new life and vigor throughout the whole system. No sufferer from any disease of the blood need despair who will give AYER'S SARSAPARILLA a fair trial.

It is folly to experiment with the numerous low-priced mixtures, without medicinal virtues, offered as blood-purifiers, while disease becomes more firmly seated. AYER'S SARSAPARILLA is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most reliable blood-purifier known. Physicians know its composition, and prescribe it. It has been widely used for forty years, and has won the unqualified confidence of millions whom it has benefited.

TESTIMONIALS:

Ontario Agricultural College

Guelph, June 2nd 1882.

To the Empire Horse and Cattle Food Co. DEAR SIR,—We have made a thorough trial of your "Empire" Food during the last two years, and can with confidence recommend it to those requiring to tone up, top off, appetize, and generally invigorate all kinds of live stock.

Yours, WM. BROWN,
Prof. of Agriculture and Farm Supt.

Nonwich, May 4th, 1882

D. A. Kirk, Druggist. DEAR SIR,—During the past winter we have used several kinds of horse and cattle food in feeding our large stock of cattle, such as "Thorley Improved," "Yorkshire," and "Empire," and we unanimously pronounce the "Empire" to be the best, after giving it an impartial trial, and would recommend it to all who keep live stock. The animal that was fed on the "Empire" Food gained 110 pounds in 25 days, or at the rate of 4.4 pounds per day.

Yours truly,

GENTLEMEN,—Yours of May 1st to hand. I shall be obliged by you sending me 500 lbs. more of your Food to Gowan Station. With regard to this article, having used it both in this country and in England, I think I am justified in giving my opinion on the matter. I think it is quite equal to, and probably better than any other food of the kind. My stockman here is well satisfied with it, and tells me that its use is easily seen in the handling of the animals he feeds it to, and I am sure for myself that it is an article well worth using. Yours,

C. C. JIRIGES,
Shanty Bay P. O. County of Bruce, Importer and Breeder of Hereford Cattle, Shropshire, Down and Southdown Sheep.

Woodstock, Jan. 14th, 1882

GENTLEMEN,—I have used your Empire Horse & Cattle Food for horses in my stables during the last fall. My horses, especially brood mares and colts, were very low in flesh from an attack of influenza contracted while at pasture. I was recommended to try your Food, and I have much pleasure in recommending it to horsemen. Yours,

M. BIRCHES
Importer and Breeder of Thoroughbred Race Horses and Stallions.

To the Empire Horse and Cattle Food Co. Mitchell, Ont.

GENT.—After giving your Horse and Cattle Food a trial, we have just purchased a further supply, which is the best testimonial we can give as to its merits. I may say that formerly one of our horses, when heavily driven, would sometimes lose its appetite. Now it is always ready for its food. Since using your Food our horses have done their work well, and kept in good condition. When in England, I visited the Thorley Manufacturing, and when visiting you in Mitchell I could not help noticing the sameness, both as regards smell and appearance of the ingredients used at both places, and have every confidence that your Food is identical in all its essential ingredients with that which has caused Thorley's name to become a household word in England, and has given his celebrated food such a world-wide reputation.

I am yours truly,
