Storey, addition to store 19 Bank st., cost \$1,500.—Tenders close October 11th, at the Department of Public Works, for installation of heating apparatus in drill hall at Brockville, Ont.

VANCOUVER, B. C.—The Chinese Empire Reform Association have decided to erect a building at the corner of Carroll and Dupont streets, to be of brick and stone, and to cost about \$20,000. It will be used as a Home.—The Stave Lake Power Co.'s negotiations with eastern capitalists, for the financing of the proposition, has been completed. The money for development is being furnished by Stone & Webster, of Boston, and work will begin at once in connection with the installation of the plant. Power will be transmitted to Vancouver and New Westminster. The cost of the work is estimated at \$65,000, including \$280,000 for a tunnel two miles in length, dam, etc., and \$385,000 for generating plant and pole line.—W. R. Wilson, architect, has prepared plans for a three-storey annex to the business premises of E. G. Prior & Co. It will be of brick, 60 x 60 feet.—A Puget Sound lumberman has chosen a site here on which to build a shingle mill.—William Blackmore & Son, architects, are this week taking tenders for erection of two residences for R. Robinson.—Mr. Grant, architect, is preparing the working drawings for the proposed Carnegie library, and tenders for construction will be invited within a few days.—The Chinese Reform Association have had plans prepared for a large business block to be built in this city, to cost about \$12,000.—The Vancouver Engineering Works, of which George Walkem is manager, will build a new shop and probably add a foundry. The company may also engage in ship-building.

WINNIPEG, MAN.—Tenders have just been taken by the city for the erection of a crematory building.—The following works have been authorized by the city council: Sewers—Nassau street, Spadina avenue to Gertrude avenue, cost \$4,065; Henry avenue, cost \$5,100; Corydon avenue, from Pembina street to C. N. Railway track, cost \$1,320; Wellington Crescent, from River avenue to Spadina avenue, cost \$1,625; River avenue, from Syndicate to Rachel street, cost \$1,425; Sherbrooke street, from Notre Dame to Sargent, cost \$3,050; McMicken street, from Sargent to Notre Dame avenue, cost \$2,770; portions of Shurman street, Alexandra avenue and Xante street, cost \$6,500; Jarvis avenue, Charles to King street, cost \$2,360. Macadam pavements—King street, from Point Douglas to Flora avenue, cost

\$6,780; Pembina street, Corydon avenue to Arnold street, cost \$11,750; Jarvis avenue, Main street to Hallett street, and a portion of Hallett street, cost \$5,390. Asphalt pavements—Notre Dame avenue, from Portage avenue to Charlotte street, cost \$21,050; Assiniboine avenue, Donald to Main street, cost \$21,385; Balmoral street, Qu'Appelle avenue to Portage avenue, cost \$7,510.—The building at present occupied by the Lake of the Woods Milling Co., corner James and Main streets, has been purchased by a Brantford gentleman, who will remodel it.—A Chicago syndicate, represented by H. Burkholder, purposes building a seven storey apartment house in this city, at a cost of \$200,000. Plans for same have been prepared by Ernest Kennedy, architect, of Minneapolis, and provide for a seven storey fireproof building, 200 x 120 feet, containing 60 suites of from six to seven rooms, and 40 bachelor suites of from two to three rooms. The site selected is at the corner of Smith and Ellice streets.

TORONTO, ONT.—Fred Kent, of the firm of Ambrose Kent & Sons, proposes to erect a residence, probably in Rosedale.—Hon. George E. Foster, ex-Minister of Finance, has purchased a lot on the west side of University avenue, between Caer Howell and Orde streets, and will begin at once the erection of a large high-class flat house similar to the one on St. George street.—President Herriman, of Lindsay, in his address at the Conference of Charities and Correction last week, advocated the erection in Algonquin Park of a sanatorium for consumptives.—The residents on Wardell street are about to petition for a new pavement.—The works committee of the city council have recommended an expenditure of \$7,000 in the reconstruction of the western garbage crematory.—Charles B.

Jennings, of the Imperial Varnish Company, has purchased land on Howard avenue and intends building a residence next spring. A. E. Ames & Co. have purchased the block on the east side of Jordan street, from King to Melinda streets. It is expected that a large building will be erected on the property.—Herbert G. Paull, architect, has commenced the erection of a large pair of residences on Bathurst street, and is preparing plans for a large refreshment pavilion and offices near High Park, including residence and ball room, boat house, etc., with about 400 feet run of 8 feet wide verandas. The whole of the establishment is to be covered with metal inside and outside. Foundation to be on piles and concrete and floors to be of hardwood. The building is to be erected on the lake shore this fall, and most of the work will be done by day labor.—Building permits have been granted as follows: John E. Hoare, two-story brick residence, 69 Howland avenue, cost \$3,500; James Dempster, two-story brick bakery, on Dandass street, near Ossington avenue, cost \$2,000; Lewis Brown, two-story detached brick residence, north side Eastern avenue, cost \$1,800; A. Horton, three pair two-story and attic brick dwellings, north of Howard street, east of Glen Road, cost \$12,000 (C. J. Gibson, architect); Jane McMartin, two-story brick store and dwelling, Dupont street, corner Bathurst, cost \$2,500; Massey-Harris Co., one-story brick storage warehouse, south side King street, near Crawford street, cost \$1,100, also three-story brick shop and warehouse, cost \$7,200; Mrs. A. Colne, two-storey brick store, 136 Margueretta street, cost \$1,600 (Mr. Davis, architect, R. G. Kennedy & Son, contractors); Martin McKee, two two-store detached rough cast dwellings, north side Boulbee avenue, near Jones avenue, cost \$1,000.
