### FREIGHTS.

The market is decidedly firmer, and a better feeling prevails. Lumber freights from British Columbia or Puget Sound are stiffer, although no changes have occurred in rates. Quotations are:—Sydney, 30s; Melbourne, Adelaide or Port Pirie, 40s; West Coast South America, 32s 6d to Valparaiso for orders; United Kingdom, calling at Cork for orders, 57s 6d; Shanghai, 47s 6d; and Yokohama, 42s 6d, both nominal.

Grain freights from San Francisco to the U. K. show an improvement, and may be quoted at 22s 6d, with usual options, for immediate loading and 30s for October loading. From Portland, 30s, nominal; Tacoma, 25s immediate loading and 32s 6d September loading.

The *Commercial News* says: Exporters are evidently expecting an improvement in values for tonnage, and are quietly taking up all ships offered on favorable terms. Rates have hardened a trifle during the week, and more business has been transacted than usual at this season. Still, the improvement in rates—spot and new-crop loading—has not been sufficient to cause much rejoicing in freight circles, but has proved beyond question bottom was touched some time ago, and the general trend of the market is toward better figures. Coal and lumber freights are inactive, but in the latter the tone of the market is much better than it was a month or so ago.

The British ship Hawthornbank, from Tacoma Dec. 22, arrived at Cork May 8.
