TO HOLMAN PAD CO.,
116 Hollis St., Halifax.
CENTREMAN, I suffered for many years from an impaired digestion, an evil which rendered me anything but an agreeable companion. At times, during an especially bad attack the pain in the region of the heart would be terrible, causing me to become insensible in a moment. I tried a daily remedy, but without any permanent benefit; my last estate would be invariably worse than the first until I concluded to try one of the Holman Liver Pads. During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, and was to reach my case, but then I gradually began to grow better, a fact I realized in being able to lie upon my left side for quite a long while without inconvenience. I continued wearing the Pad and was it only in day time for two months longer; at the end of which time I ceased to be troubled with indigestion altogether, and spasms at region of heart, are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps the further information from you on this point would further further detail of a my complaint and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Remedies from personal experience of the benefits derived from their use. And I consider that I am to overstate the value to those similarly afflicted as I have been.
Yours faithfully,
C. O. PRESTON.

C. K. PUTTNER, Ph. M.
SIR, - I cannot express too highly the high esteem and great value I have formed of your Emulsion of Cod Liver Oil and Iron, &c., as prescribed by our physician, Dr. T. R. Almon, and the great benefit and service it has rendered to our babies in the Home. I have found that they can take it without any trouble, and does not in the least disagree with them; and with weak, delicate and ailing children who do not seem to thrive, your Emulsion has acted in a most remarkable manner in restoring the little ones to health and strength. In fact, our Home cannot do without it. I can, with the greatest of cheerfulness, cheerfully recommend your Emulsion to be a most valuable medicine for children, and have found it superior to any I have used.
