

PARAGRAPHIC.

FOR THE YEAR 1886.

No better resolution can be made than to resist buying any of the substitutes offered as "just as good" as the great only sure-pop corn cure, Putnam's Painless Corn Extractor. It never fails to give satisfaction. Beware of poisonous flesh eating substitutes.

D. H. Moffatt, millionaire and president of the Denver & Rio Grande Railroad, began life in Colorado as a stage-coach driver. Now this jolly Jehu can crack his whip to the tune of \$5,000,000 they say.

FOR RHEUMATISM and Neuralgic Affections—Bathe the parts affected freely with Perry Davis' Pain-Killor, well rubbed in, till the pain is relieved.

In the Chinese language there are sixty characters and meanings to the syllable Ling, seventy to Sing, and seventy-five to Ing. Almost as many as to the English syllable Thing.

Horsford's Acid Phosphates.

SPECIFIC VIRTUES IN DYSPEPSIA.

Dr. A. Jenkins, Great Falls, N.H., says: "I can testify to its seemingly almost specific virtues in cases of dyspepsia, nervousness and morbid vigilance of wakefulness."

A hollow steel float, eighty feet square, anchored in mid-ocean and bearing a sixty-foot light tower, is the suggestion of an English Inventor. He would have this known as a harbor of refuge in distress, or a place for transmission of ship news by telegraph, and as a weather station.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites. For Wasting Diseases of Children, where the digestive powers are feeble and the ordinary food does not seem to nourish the child, this acts both as food and medicine, giving strength and flesh at once, and is almost as palatable as milk. Take no other.

A refreshing drink for the sick may be made by mixing a little cranberry-jelly with cold water.

There is no remedy in the world so valuable to use in the case of sudden accident or illness as *Johnson's Anodyne Liniment*. It can be used internally and externally, and its power is truly marvelous.

To keep the skin from injury when being in soap-suds, dip the hands in vinegar or lemon-juice immediately after removing them from the suds.

We call the attention of our lady readers to the advertisement in our columns of JAMES PYLE'S PEARLINE, for laundry and kitchen purposes. An article so popular and widely circulated, must possess merits that commend it to the favor of housekeepers.

Consumption Cured.

An old physician having had placed in his hands by a returned Medical Missionary, the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Catarrh, Asthma, Bronchitis, etc., after having tested its wonderful curative powers in hundreds of cases, desires to make it known to such as may need it. The Recipe will be sent FREE with full directions for preparing and using. Send 2 cent stamp. Address Dr. W. H. Armstrong, 44 North 4th st., Philadelphia, Pa. (Name this paper.)

A little paraffine poured over the top of jellies will prevent mould, and becoming solid may be easily removed.

DR. SMITH'S GERMAN WORM REMEDY, or Wormerine, speedily removes all kinds of worms, cleanses the bowels of all impurities, cures biliousness and indigestion. Try it. Sold by all druggists. Price 25 cts. per box.

A few years ago a cargo of ice was imported into England from Norway. Not having such an article on the Custom House schedules, application was made to the Treasury and to the Board of Trade, and after some little delay it was decided that the ice should be entered as "dry goods," but the whole cargo had melted before the doubt was cleared up.

There is nothing so dear as cheap medicine; it is dear at any price. This is true of the large packs of condition powders now sold. Buy *Sheridan's Cavalry Condition Powders* and you can't make a mistake. The large packs are utterly worthless.

A broom dipped once a week in boiling suds will last one-third longer than it would otherwise.

Dr. Harris, of Middlebury, Vt., says: "I had been troubled with Bronchitis for two years, so affecting the organs of speech that I could not speak aloud for six weeks. I had with it a severe cough and cold night sweats. I took two bottles of *Allen's Lung Balsam* and am entirely cured."

A valuable annex to the amply wide and generously long kitchen apron will be found in a holder attached to the band of the apron by a band long enough to admit of easy use. When not needed, it may be kept in the right-hand pocket.

PUTTNER'S
EMULSION

OF COD LIVER OIL, &c.,

CHEMICAL LABORATORY,
DALHOUSIE COLLEGE, HALIFAX,
HALIFAX, N.S., Jan. 30th, 1885.

I have made analysis of samples of the EMULSION of COD LIVER OIL, prepared by the Puttner Emulsion Co., and they have explained to me the details of their process. The ingredients used, and the mechanical processes to which they are successively subjected, enabled this Company to prepare a Permanent Emulsion without the use of acids or alkalis. This preparation has been known to me for many years, and when carefully prepared, is certainly a great improvement upon Crude Cod Liver Oil, not only being milder in flavor, but having the more substantial advantage of being in the best form for digestion and assimilation.

GEORGE LAWSON, Ph. D., LL.D.,
Fellow of the Institute of Chemistry
of Great Britain and Ireland,
Professor of Chemistry.

PUTTNER'S EMULSION is sold by all
Druggists and General Dealers.

I CURE FITS!

When I say cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the discovery of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst case. Because others have failed is no reason for not now receiving a cure. Send at once for a treatise and a free bottle of my infallible remedy. Give Express and Post Office. It costs you nothing for a trial, and I will cure you. Address DR. H. G. ROOT,
Branch Office, 37 Yonge St., Toronto.
