SINCE the season opened 1,319,000 boxes of cheese were shipped from New York and 1,725,000 boxes from Montreal. Some of the New York export was also Canadian product sent from that port for convenience sake.

A NEW and handsome hostelry, to be known as the Hotel Quinte, is to be opened about Christmas time in Belleville, and promises to be a credit to that city. The manager will be Mr. Charles Hunter. The hotel, with its furnishings, etc., will cost between \$60,000 and \$70,000. A separate building has been built for sample rooms. The names of the officers and directors of the company erecting it are: H. Corby, president; W. H. Biggar, vice-president; U. E. Thompson, secretary-treasurer; directors, John Bell, D. Waters, Thomas Richie, and Col. Lazier.

THE executors of the estate of the late James Norris, St. Catharines, offer for sale the steamer "Persia," and flour mills A and B, situated on the Welland Canal. The date of the sale is fixed for December 19th next, and it will be held in the rotunda of the Toronto Board of Trade building.

THE late J. T. Warrington, jr., of Belleville, commanded in a high degree the respect and esteem of those with whom he came in contact in business. His funeral at Belleville last week was attended by representative men from various parts of Canada. The Butter and Cheese Association, at a meeting held in Montreal, passed resolutions of sorrow at his death and appointed delegates to attend his obsequies.

It was in the spring of the present year that W. D. Baird disposed of his tailoring business and opened a store for men's furnishings at Trenton. This seems to have been a mistake, for it appears that he was obliged to mortgage his stock for \$2,000 three weeks ago. Now he assigns to E. R. C. Clarkson. Two years ago J. J. McIndoo left Peterboro and opened a general store at Caledonia. In August last he presented a statement of affairs showing a surplus of \$3,800. Now his assignment is announced. — W. R. CANADA PAPER CO.15 Front St. West,
TORONTO578 Craig Street,
MONTREAL**Mercantile Summary.**

Woodstock since September last, but is not popular with his customers. Owing to this he has not built up a paying business. Besides, his expenses were by no means light. He has assigned to W. A. Campbell.

SEVERAL changes of premises have been made by John Ringer, during the past three years he has been a grocer in Toronto. Apparently he has demonstrated the truth of the old adage about the rolling stone. Lately his creditors have been obliged to push him, which has resulted in an assignment to Henry Barber & Co. — R. H. Bullen, a city butcher, has had his stock mortgaged to his landlord, and now we hear that he has been sold out.

THE premises of Edy Bros., photographers in London, are in charge of a bailiff. For some time past the members of the firm have not worked amicably together. Beside the rent of \$400, past due, they owe \$1,500, but it is thought that creditors will not lose anything. — A tailor at Comber, Ont., named R. D. Crawford, also has assigned. — Another assignment is that of A. B. H. Carl, general store-keeper at Norland. Four years ago he went thither from Minden, but has not it seems improved his location. Last month he gave a chattel mortgage to his father for \$1,100. This will probably be contested by general creditors.
