**Don't Think**

these horses are old. That is not the trouble.  
They hauled one of those much-talked-about  
"Raise and Lower" fiftybolted-fiftyriveted-score-  
jointed-wood-castiron-steel frame-forty geared-chain  
drive-300lb.-neckweight-machines through some  
sixty acres of grain last season. It is a wonder  
they came off as well as they did. Your horses  
can do a big season's cutting and look none the  
worse for it, if you use the single-geared, light-  
running, no-neck-weight
