

**The Light Question in Charlottetown
Not a Matter to be Treated Lightly**

Those who read this who are serious about the light question and who want to have a light **Superior to any other** and at a **cheaper** rate should look into the merits of

THE ANGLE LAMP

The Angle Lamp is world famous. It overcomes all light troubles. The essential difference between the Angle Lamp and all others is this: the Angle Lamp is a good lamp, all others are not

so good.

It makes no shadow. Burns 1 quart Oil in 24 hours

Especially good for churches, halls, etc. It will suit you. It has none of the shortcomings of ordinary lamps. If not as advertised your money will be refunded. Call and see them or write for a catalogue.
