The "Ontario's" NEW BUSINESS for the first quarter of this, its twentieth year, is the largest in its history for the same months. No company doing business in Canada, of equal or half the age, has had a lower death-rate or has a lower rate of expense. The ENTIRE profits are divided amongst the policy-holders who constitute the company, and hence, the profits given by the "Ontario" in its Endowment policies have not during the past fifteen years been received by any company doing business in the Dominion. It issues term policies, popular with students who wish insurance for a few years at a low rate, ordinary life, term Life and Endowment Policies. Before insuring write for rates and information.

**KID GLOVES TANT-MIEUX 4 Button French Kid Glove.**

WE have been appointed Agents for this Celebrated Glove. It is placed upon our counters direct from the manufacturing tables of the Makers in Grenoble, France. All middle and between profits are dropped, and we offer you the Glove at First-Hands on a Simple Commission Profit, hence the secret of their VALUE.

Although little known in this market, their extreme low price, softness and remarkable elasticity has gained for them an unparalleled hold, both in Europe and America. Our statement may be questioned, yet we write fearlessly the fact—they are in point of actual wearing value equal to any Josephine Kid Glove ever made, whilst our price is only 64 cents a pair, every pair guaranteed, made in Tans, assorted Brown's and Blacks, and are cut upon a scale of measurement slightly smaller than Josephine. We will send them, postage paid, to any address. Write for a pair and try them upon the reputation we have at stake, and you will find them all we represent.
