

Table 2 presents a detailed breakdown of DFAIT's total workforce (CBS and LES) by gender, employment status, and employment category:

- As of March 31, 2006, DFAIT's total workforce consisted of 4,559 Canada-based staff (47.6%) and 5,017 locally engaged staff (52.4%).
- 91.3% of CBS and 95% of LES were indeterminate employees.
- The CBS workforce consisted of 2,371 women (52%) and 2,188 men (48%).
- Rotational and non-rotational employees accounted for 44.8% and 55.2%, respectively, of the total CBS workforce.

Chart 1 illustrates the breakdown of the workforce by employee group and employment category.
