

7. The final report along with any comments by the Parties and any agreed upon action plan shall be made public in the three official languages within 60 days of receipt of the report, or such longer period as the Parties may agree.

8. Following the release of a final report that determines that there has been non-compliance, the requesting Party may request in writing that the panel be reconvened with a view to determining whether or not a monetary assessment needs to be set and paid in accordance with Annex 4.
