

Environmental impact—Cont.

- Committee studying, methods, 4:19-20
- Regulations, 4:10-1
- Research, government commitment, 7:32-4
- Significant negative impact, lack, possibility, 4:12-3
- Yukon Territory, 2:18-9; 7:5, 15
 - Whitehorse study groups, etc., organized by Alaska Highway Pipeline Panel, 4:12
 - Wildlife protection, native officers, etc., 7:15-7, 34-5
- See also* Terms and conditions—Socio-economic and environmental

Estimates, see Orders of reference**Federal Energy Regulatory Commission (FERC), Committee** activities exerting pressure on, 2:15**Federal Environmental Assessment Review Office (FEARO), see** Terms and conditions—Socio-economic and environmental guidelines**Financing**

- Alaska participation, 1:17, 26; 2:12; 6:10, 16-7; 6:29; 8:28
- Exxon proposal, producers funding 40% of equity and debt requirements, 1:17, 26; 2:12-3, 20, 23; 3:5; 6:7, 11
 - United States anti-trust legislation effects, 3:26-7; 6:11-5
- Gas utilities, involvement, 6:15-6
- Government participation, 2:16; 3:10, 32-3; 6:32-3
- Interest rate increases affecting, 3:8-9
- Northwest Alaskan consortium, broadening, 1:17-8
- Percentage from Canadian sources, 1:27
- Private financing, 2:22-3; 3:7, 10-1; 5:8; 6:5, 9-12, 29-30, 33
- United States segments, delays, 2:11
- See also* Construction—Costs, Incentive rate of return

Foothills Pipe Lines (Yukon) Limited

- Expenditures, 3:6
- Senior executives, 3:4-5
- See also* Construction; Dempster lateral; Employment practices; Environmental impact; Northern Pipeline Agency; Oil and oil products; Organizations appearing and briefs submitted; Terms and conditions

Foster, Mr. Maurice (Algoma)

- Northern Pipeline Agency estimates, 1979-1980, main, 1:25-8; 2:18-21
- Northern Pipeline Agency, progress reports, 8:17
- Organization meeting, 1:7-10

Fulton, Mr. Jim (Skeena)

- Northern Pipeline Agency estimates, 1979-1980, main, 1:28-30; 2:7-10, 21-4; 3:12-6, 25-6; 6:14-6, 32; 7:12-6, 32-4
- Northern Pipeline Agency, progress reports, 8:11-4
- Point of order, ministerial statement, member reading, 8:5-6

Gamble, Mr. John (York North)

- Northern Pipeline Agency estimates, 1979-1980, main, 6:27-8

Gas

- Alaskan, U.S. lower mainland price, 5:13, 17; 6:6
- Alberta, discoveries in tight-rock area, 2:26
- Equivalence with oil, BTU's generated, etc., 3:30; 5:11-2
- Exports to U.S., 3:5-6
 - Alberta, from, not solving basic U.S. problem, 3:28-9
 - Curtailling after Alaskan gas comes on stream, 8:10-1, 18
 - Energy Board hearings, 1:19-20; 2:5; 3:22-3; 5:7-9
 - Existing AGTL and Westcoast facilities, utilizing, 2:16-7; 3:23-4, 32; 8:19, 23-6
 - Price, reasonable, determining, 5:11-3
 - Price, surcharge for quantities moved through "prebuild", 5:12
 - Swap arrangements, 6:28

Gas—Cont.**Exports to U.S.—Cont.**

- Yukon Territory position, 7:17
 - 3.75 trillion cu. ft., 1979-1987, cabinet and Energy Board approval, 8:8-9
 - Current deliverability test applied, 8:11-3, 20
 - de Cotret, Senator, statement, 8:14-5
 - Licences, Pan-Alberta and ProGas, 8:9-10
 - Licences, short term and reduced quantities affecting "prebuild", 8:9-23, 30-1
 - Small independent producers, participation, 8:16
 - United States Energy Department statement, 8:15
- See also* Construction—Southern portion, "prebuilding"
- Price, competitive, 3:23-4
- Price increase, 2:22-4
- Supplies and reserves
 - Eagle Plain, Y.T., area, 7:23-4
 - Shortage, protecting Canadian users against, 6:27-8
 - United States, 6:4

Gas pipelines

- Alaska Highway (AlCan) route, 1:14; 3:25
 - Abandonment, probability, 6:14, 24, 32
 - Alaska section
 - Expenditures, 6:6
 - Socio-economic and environmental hearings, 6:26-7
 - Sponsors, 6:6, 10
 - Canada-U.S. agreement, 1:15; 5:19; 8:23-5
 - Completion date, 1:15, 25; 2:12; 3:5, 19
 - Congressional support, 6:30-1
 - de Cotret, Senator, meeting U.S. energy secretary, 5:17-8
 - Dempster lateral, 3:22; 7:23-4; 8:13, 23-5
 - Economic benefits, 4:16; 5:4-5; 6:25
 - Energy Board hearings, four phases, 1:18-9
 - Federal-provincial consultative council, meetings, 1:23
 - Gas conditioning costs, allocating, FERC decision, 1:16; 2:12-3, 21; 3:5; 5:7, 13; 6:7
 - Interest in, decrease, 5:20-4, 27; 6:21-3
 - Justifying, Alaska Highway Pipeline Panel position, 4:9
 - Northern Border group, participants, 6:6
 - Operating staff, residence requirement, 7:25
 - Operation, electric power for, NCPC building generating plant, etc., 7:26-7
 - Reducing U.S. dependency on oil imports, 2:7; 3:7; 5:13; 6:5, 8
 - Revenue from, royalties, etc., 7:36
 - Right-of-way, 2:17-8; 7:8; 8:28
 - Taxation, non-discriminatory
 - Alberta and Sask. positions, 5:19
 - British Columbia position, 5:19-20
 - Yukon Territory, agreement with, 7:6-7, 10-1, 20-2
 - Tourist attraction, 7:19
 - United States federal inspector Jack Rhett appointment, 1:18; 3:5; 6:6, 33-4
 - United States sections, tariff system, 1:16; 6:6-7
- Arctic, 5:5; 6:31
 - Y-line concept, linking Arctic and Mackenzie delta fields, Polar Gas study, 8:13
- Baker, Mr. W., visit to B.C., Alta. and Y.T., 1:23
- Quebec and maritimes route, 2:26-7; 3:20, 34

Hargrave, Mr. Bert (Medicine Hat; Parliamentary Secretary to Minister of Agriculture)

- Northern Pipeline Agency estimates, 1979-1980, main, 2:16-8; 3:31-2; 5:14-5, 32; 7:17-9
- Northern Pipeline Agency, progress reports, 8:14-7
- Organization meeting, 1:8
- Point of order, ministerial statement, member reading, 8:7
