## HAMILTON-TORONTO GAME IN AFTERNOON

Soccer Player Suspended — Another Cautioned—Change in T. & D. Line-Up.

The weekly council meeting of the T. and D. was held last evening at Occident hall, and several important business affairs were taken up. J. Dunn, the Hamilton back, was suspended for one week from the date of his offence, namely, May 10, and he will be able to get into the game on the 31st again for his team. The suspension of Elm street was cautioned for unbecomely conduct on the field. A letter of condolence was sent to Mr. McCraith, the father of the unfortunate young man who died in the Hamilton game last Saturday. Donald (Garcia) will replace MacLaren (Thiel) in the game at Hamilton on Saturday afternoon at Britannia Park. He was unable to get away owing to pressure of business. The game will start at 8:30 p.m., and all players are asked to be at the Union Station at 8:45 a.m. to catch the Grand Trunk train. The return game will be played in Toronto on August 15.

## For Thirsty Men!

As a thirst-quencher what compares with Kuntz's Old German Lager? Brewed by the costly "Old German" process, it has more life, snap, vigor—and an "Old German" flavor that far surpasses the flavor of ordinary lagers.

Be sure the "Old German" scene is on the label, and the bottle is Peacock Green—to prevent the lager from deteriorating when exposed to light.

## AUTOMOBILES UPHOLSTERED WITH SPUN GLASS.

An artificial silk, made from spun glass, is being manufactured in England for upholstering automobiles. The glass threads of this artificial silk are only one-third as thick as an ordinary human hair, and are scarcely visible to the naked eye. By the action of chemicals this thread is said to be made stronger and more than any other artificial silk. The cost of producing material woven from it is claimed to be only one-fourth the cost of artificial silk made from cellulose. The glass cloth is incombustible, very resistant to moisture, acids, alcohol and oils, and is easily cleaned.

## WARD SEVEN.

The prophecy has been made several times that the Keele street "Y" of the street railway will some day prove the source of a serious accident, and it was almost miraculous that no one was injured in a smash-up which took place at the busy corner about 9:25 last night. Dundas car No. 916, in charge of Motorman 2188, had just started east around the curve from Keele street south when car 956, in charge of Motorman 1154, backed around the converging track from Dundas street at a fairly fast rate of speed and rammed the outgoing car full in the side, derailing it, throwing it off the front track and nearly upsetting it. The circumstance that the damaged car was on the way to the barns and was therefore empty of passengers alone prevented some serious injuries. As it was, the rear of the first car was badly smashed, and the other one in such a condition that it could not be moved yesterday and was left on the short track on Keele street.

The firemen from the Keele street hall were called twice yesterday to houses whose residents had become alarmed at the appearance of smoke arising from the cellar. The first, about 8 a.m., was to a house at 217 Merland street, where the pipes in the cellar had become disconnected from the furnace, and therefore quite naturally smoked. The second was about 12:30 p.m. to 181 Perth avenue, where the damage also was negligible.

The annual field day of the Humboldt Collegiate Athletic Association is to be held next Tuesday afternoon on the playgrounds. A large program of events has been arranged, and various cups and trophies will be contested for.

The death occurred yesterday of Mrs. Margaret A. Wright at the home of her daughter, Mrs. E. Irvine, 227 St. John's Road, in her 62nd year. Interment takes place tomorrow afternoon. The association of the grand executive committee of the grand executive council of the Militia Veterans of Canada, that all Veterans' Associations assemble at the armories at 9:30 a.m. The parade will move off promptly at 10 o'clock, south of the South African column on Queen's avenue; thence along Queen street to Simcoe street, and by way of Carleton Place, Murray, Orde and McCaul streets, across College street to University road, and the Fenian raid monument, thence to the Northwest and Queen Victoria monuments.

The assemblage will be addressed at the main entrance to the legislative assembly buildings by Lt.-Gov. Sir J. M. Gibson, Gen. F. L. Lessard, Col. George T. Denison, Lt.-Col. Archibald Cody and Sir James P. Whitney. The band of the Canadian Army Service Corps will furnish the march music. War medals will be worn.

It is expected that the ceremony will be over by noon.

The annual decoration of the monuments to the dead heroes of the militia of Canada by the several Canadian Military Veterans' Associations in Toronto will take place in Queen's Park on Victoria Day, Saturday, May 24. The request is issued by Capt. William Fahey, president, and the executive committee of the grand executive council of the Militia Veterans of Canada, that all Veterans' Associations assemble at the armories at 9:30 a.m. The parade will move off promptly at 10 o'clock, south of the South African column on Queen's avenue; thence along Queen street to Simcoe street, and by way of Carleton Place, Murray, Orde and McCaul streets, across College street to University road, and the Fenian raid monument, thence to the Northwest and Queen Victoria monuments.

The assemblage will be addressed at the main entrance to the legislative assembly buildings by Lt.-Gov. Sir J. M. Gibson, Gen. F. L. Lessard, Col. George T. Denison, Lt.-Col. Archibald Cody and Sir James P. Whitney. The band of the Canadian Army Service Corps will furnish the march music. War medals will be worn.

It is expected that the ceremony will be over by noon.
