**WHEAT YIELD ON
IMMENSE SCALE**

Price Broke Sharply at Chicago on News of Threshing Results.

CHICAGO, June 26.—Threshing returns so abundant as to cause enthusiastic comparison with the sands of the sea, were largely responsible today for leaving wheat at the mercy of the bears. The market broke 2c a bushel, and although steady at the close was 1-1-8c to 1-3-8c under last night. Corn showed a net decline of 1-4c to 5-8c and oats 5-8c to 3-4c. In provisions the outcomes varied from a setback of 7-1-2c to 20c advance.

Wheat yields as high as 51 bushels to the acre were reported from Kansas and it was announced that railroad officials who a month ago estimated the Kansas crop at 150,000,000 bushels, had raised the total to 170,000,000 bushels. Gossip from another source had 180,000,000 bushels as more likely to prove nearer the reality. The result was a storm of selling early and late, partly pressure of hedging against actual and prospective shipments of the new crop, but also aggressive speculative bear operations on a huge scale.

Corn Also Lower. Corn sagged with wheat, but encountered active buying on the decline. Increased shipments from Argentina and lower offers from there counted against the bulls, and so also did predictions of rain where needed in the domestic belt.

Improvement in the crop outlook had a bearish influence on oats. Covering by shorts lifted July pork. The rest of the provision market, however, labored under pressure of sales by packers.

IMPORTANT STATEMENT

TO THOSE OF MY CLIENTS WHO HAVE SUBSCRIBED TO
STOCK IN THE

ROYAL CANADIAN OILS LIMITED (Non-Personal Liability)

I wish to express my appreciation and thanks and I take this opportunity of explaining my intentions. I wish to emphatically state to my many subscribers that insofar as the cash that is to be paid to me and the shares that are to be allotted to me for the holdings that I have turned over to the ROYAL CANADIAN OILS LIMITED (Non-Personal Liability)

NOT ONE DOLLAR OF THE MONEY NOR ONE SHARE
OF THE STOCK WILL BE TAKEN BY ME UNTIL
OIL HAS BEEN STRUCK BY THIS COMPANY

Can any proposition be fairer than this? I reserve to myself the right, however, to use this cash and stock or part of same previous to the striking of oil by the ROYAL CANADIAN OILS LIMITED (Non-Personal Liability) for the purpose of purchasing such other holdings as I may from time to time deem it wise to procure and thus be at liberty to turn such holdings over to the ROYAL CANADIAN OILS LIMITED (Non-Personal Liability) free of cost.

Since this company was incorporated I have purchased some twelve hundred and eighty acres of valuable land which has been placed in the company free of cost. As soon as sufficient stock has been sold it is my intention to commence operations without delay and I wish to assure my subscribers that every effort will be made as far as I am concerned to make this one of the most successful companies operating in this Province.

Yours Respectfully,

Signed **F. C. LOWES**
