To THE TRADE.—The attention of merchants and manufacturers who desire to attain the greatest publicity for their wares, among the business community, wholesale as well as retail, is respectfully called to the fact that the JOURNAL OF COMMERCE has at present a bona fide circulation extending regularly to every town and village throughout the Dominion, from Newfoundland (including St. Pierre et Miquelon,) to British Columbia and Manitoba. This circulation is not confined to one or more hotels in each place, but is subscribed for in the regular way, by each merchant. We court inquiry on this subject, and shall be glad to exhibit our subscription lists to any of our customers at any time. The JOURNAL OF COMMERCE is fulfilling its mission in supplying our wholesale merchants, manufacturers, insurance companies, etc., with a first-class Commercial Journal, having a circulation among the business men of Ontario, Quebec and the Maritime Provinces second to none, a circulation, too, which is daily increasing. The interests of our subscribers are continually borne in mind in furnishing them with the latest and most reliable information on all matters necessary to their business welfare, rendering it worth to each ten times the price of subscription. The growing demand for back numbers, which we regret being unable to supply, is a proof of its permanent value as a work of reference.
