(Red) Murray, uncon- ditionally. Murray, it was said by Sec- retary Foster, was handed his uncondi- tional release under the agreement with the Players' Fraternity, by which players who have been in the major leagues ten years may have their unconditional re- lease when their term of usefulness ex- pires. It is generally supposed that Murray was signed to one of the unbreakable. "iron-clad" war contracts, but Secre- tary Foster said the so-called "iron- bound, unbreakable contracts" are a myth.
