 51, 756, 763
- Tibia, contd.*
 — swelling out, in secondary syphilis .. 752
 — tuberculous disease of .. 752
 Tibial muscle affection in infantile paralysis 131, 132
 — paraparesis, talipes from .. 132
 Tibialis anticus muscle, spinal nerve root supplying .. 543
 — nerve supply of .. 542
 posticus, nerve supply of .. 542
 Tic, convulsive, mild chorea simulating .. 156
 — **douloureux** (and see Trigeminal Neuralgia, Major) .. 195
 — absence of anaesthesia with .. 783
 — pain relieved by pressure .. 783
 — and tenderness due to .. 782
 — paroxysms brought on by pressure .. 783
 — relation of ptalorrhoea to .. 592
 — spasmotic, a cause of convulsions .. 169
 — muscle twitching in .. 342
 Tickling, hiccup from .. 342
Tight lacing, furrow on liver from .. 405
 — liver depressed by .. 404, 405
 — passive hyperaemia of uterus from .. 428, 430
 — Riedel's lobe from .. 404, 405
 — shape of liver in .. 405
Tightness in chest, from bronchitis .. 480
 — chronic mediastinitis .. 184
 — mediastinal growth .. 183
 — oesophagitis .. 181
 Tilbury Fox, re impetigo contagiosa .. 446, 601, 654
Tinea circinata (and see Ringworm; and Fungous Affections of Skin) .. 274
 — diagnosis from circinate tubercular syphiliderm .. 275
 — macular syphilid .. 426
 — pityriasis rosea .. 658
 — tinea imbricata .. 276
 — involvement of lips in .. 403
 — decubitus .. 271
 — **imbricata**, description of .. 275
 — diagnosis from leishmaniasis .. 276

 — parasitology of .. 276
 — marginata in bathing-drawers area .. 417
 — pruritis caused by .. 588
 — **sycozoa** (see Ringworm of the Beard)
 — tonsurans (see Ringworm)
 — scales in .. 655
 — **versicolor**, contagiousness low of .. 276
 — currant-like masses of spores in .. 276
 — description of .. 276
 — diagnosis from chloasma .. 276, 575
 — eczema seborrhoeicum .. 276
 — erythrasma .. 276
 — leprosy .. 276
 — pityriasis rosea .. 276
 — syphilidem .. 276, 426
 — distribution of .. 276
 — naevi in .. 424
 — microsporion furfur in .. 276
 — scales in .. 276, 426, 655
Tingling in aeroparesthesia .. 193
 micturition .. 831
 — peripheral neuritis .. 565, 651
 — preceding apoplexy .. 173
 — pruritis described as .. 588
 — in ringworm .. 275
 — tubos dorsalis .. 664
- Tinkling, metallic, with pneu- mothorax .. 193
TINNITUS .. 793
 — associated with flushing .. 268
 — epistaxis relieving .. 252
 — good influence of open air in .. 793
 — increased by tobacco .. 793
 — in Menière's disease .. 828
 — middle-ear deafness .. 190
 — nuclear facial paralysis .. 536
 — otitis media .. 470
 — otosclerosis .. 829
 — syphilitic ear disease .. 828
 — tuberculous otitis media .. 169
 — varieties of .. 793
 Tirelessness at onset of phthisis .. 620
Tobacco, amblyopia with .. 836
 — optic disc changes in .. 836
 — central scotoma from .. 836, 837
 — colour blindness from .. 836, 837, 840
 — diminished appetite from .. 49
 — dry cough from .. 175
 — dyspepsia from .. 354
 — gastritis from .. 352
 — headache from .. 328
 — hemeralopia from .. 841
 — hindrance increase of pulse-rate on exertion from .. 527
 — infantilism from .. 215
 — insomnia from .. 356
 — intermittent claudication from .. 489
 — loss of weight due to .. 848
 — nerve deafness from .. 191
 — palpitation from .. 525, 527
 — pseudo-augmata in .. 482
 — retinal cones affected by .. 841
 — susceptibility of different people to .. 527
 — tachycardia from .. 772
 — tinnitus increased by .. 793
 — tremor from .. 795
 — vertigo from .. 827
 — violent thumping of heart on getting into bed from .. 527
 — vomiting from .. 843
Toes in gente gout .. 382
 — affected by sebaceous .. 832
 — athetotic contractions of .. 154
 — deformity from boots .. 132
 — dragging of in spastic monoplegia .. 540
 — examination of, in obscure pyrexia .. 620
 — exostosis of .. 754
 — hyperextended, in paralytic talipes .. 130
 — pain in, in Morton's disease .. 188
 — in Raynaud's disease .. 430
 Toe-nail, ingrowing .. 486
 Tokelau ringworm (see *Tinea imbricata*)
 Toluidine-diamine poisoning, blood destruction in .. 374
 — jaundice in .. 362
 Tomatoes, oxaluria from .. 311, 471
Tongue, affections of anterior portion, referred pain in mental area in .. 498
 — of dorsum, referred pain in occipital area in .. 498
 — lateral portions, referred pain in hyoid area in .. 498
 — in sprue .. 197
 — angio-neurotic oedema of .. 457
 — atrophy of .. 69, 75
 — in bulbar paralysis .. 221, 531, 611, 684
 — myasthenia gravis .. 687
 — "cold," in scarlet fever .. 671
 — not bitten in hysterical convulsions .. 160
- Tongue, contd.*
 — biting of, in epilepsy .. 171, 646
 — convulsions .. 168
 — carcinoma of (see Carcinoma of Tongue)
 — chancres of, discussed .. 813
 — cornet-player's cramp of .. 177
 — deep-red colour in diabetes .. 292
 — deficiency of deep tenderness in locomotor ataxy .. 562
 — dentililice of .. 812, 814
 — difficulty in using, a cause of dysphagia .. 225
 — **dry**, from belladonna .. 773
 — and brown, in acute yellow atrophy .. 392, 370
 — — with laryngeal disease .. 48
 — — pyelonephritis .. 48
 — — renal tuberculosis .. 48
 — — and furred in peritonitis .. 431
 — — in tropical abscess of liver .. 369
 — in uraemia .. 45
 — dyspeptic ulcer of .. 812
 — electrical reactions of, in bulbar paralysis .. 687
 — enlargement in acromegaly .. 263
 — epithelioma of (see Carcinoma of Tongue)
 — fibrillary contractions of, in bulbar paralysis .. 159, 686
 — — in disease of central nervous system .. 158
 — fissured in syphilis .. 813
 — **furred** in alcoholism .. 156, 243
 — alveolar abscess .. 747
 — appendicitis .. 736
 — foul taste due to .. 774
 — in gastritis .. 49, 297
 — loss of taste due to .. 774
 — in peritonitis .. 774
 — pneumonia .. 771
 — septicemia .. 774
 — severe fevers .. 774
 — typhoid fever .. 774
 — and indented, in active congestion of liver .. 371
 — and tremulous, in chronic alcoholism .. 59
 — gangrene of, in Raynaud's disease .. 284
 — glazed in pyelitis .. 625
 — gumum of .. 273, 814
 — median position of .. 429
 — herpes zoster of .. 831
 — inflated in acromegaly .. 263
 — chronic gastritis .. 297
 — congestion of liver .. 371
 — leukoplakia of (*Plate XI*) .. 814
 — movements in chorea .. 548
 — mucous patches on in secondary syphilis .. 813
 — paresis of, in bulbar paralysis .. 641
 — progressive weakness of in bulbar paralysis .. 224
 — protrusion in ectropion .. 258
 — Mongolian idiocy .. 265
 — sore, with papular syphilitic dermatitis .. 533
 — in secondary syphilis .. 605
 — strawberry appearance of, in scarlet fever and erythema scarlatiniforme .. 253
 — swelling of, due to mercury .. 86
 — swollen, dysphagia due to .. 225
 — syphilis of 237, 273, 420, 812, 813
 — taste nerves of .. 775
 — **tremor of** .. 705
 — alcohol .. 238, 243, 368, 797
 — cirrhosis of liver .. 363, 419
 — in general paralysis .. 172, 796
 — lead poisoning .. 797
 — paralysis digits .. 796
 — trichinosis parasites in .. 804
