

## RESULTS OF LAST YEAR'S EXHIBITION.

---

I have much pleasure in drawing attention to the

# UNPRECEDENTED SUCCESS

—OF MY—

## MACHINES AND IMPLEMENTS!

At the Provincial Exhibition at Kingston, against Most of the Leading Makers of Canada.

My Threshing Machines have by their success there (under actual trial on the ground,) fully confirmed the awards made THREE YEARS IN SUCCESSION at the previous Exhibitions of the Provincial Agricultural Association, and have established beyond question their claim to be considered the  MOST PERFECT MACHINES  of the day.
