TITLES HAVE NO PLACE IN LIFE OF DOMINION

London, April 12.—Because Canadians are "thundering democrats," Littles have no place in the life of this country, according to the opinion expressed by Bishop M. F. Fallon of the Roman Catholic Diocese of London, in an address to the graduating class of nurses of Loseph's Hospital, delivered last night, His lordship declared himself to be absolute accord with the proposal to be titles. The bishop told the nurses that while it is their duty to faithfully attant to all invalids, they should, in recognition of the great service rendered by Canada's heroes, devote especial endeavors to making smooth the path invalided soldiers. He admonished them too, to be painstaking in alleviating the anguish of relatives of men at the front with whom they will, no doubt, from time to time, be brought in contact.
