In Baptist Circles.

The Executive of the Baptist Home Mission Board met yesterday and granted an unlimited leave of absence to their superintendent, Rev. Mr. McEwan. Arrangements were made for the great Home and Foreign Missions Convention at Montreal on the last week in May. It is expected that Rev. Alex Turnbull of New York will deliver an address on home missions.

THE DRUNKARD'S AGONIES.

Canon DuMoulin Tells of the Terrible Thraldom of the Alcohol Habit.

To a very large congregation in St. James' Cathedral yesterday noon, Canon DuMoulin discoursed on "The Alcohol Habit." He first spoke of the terrible grip the habit obtains on a man or woman. Perhaps it arose at the family table, or in process of convalescence, or as a relief from toil, worry, care and depression. Ultimately it clinches as in a vice, and the victim becomes a wretched slave, terrible to behold.

Nothing exercises such a terrible dominion as alcohol. How the ruin is worked the Canon vividly depicted. The finest intellectual and physical qualities had been blasted and totally wrecked. How this operated in family, social and business circles was shown. The terrible reaction after a spree, and the futile resolutions were sketched as if by a master-hand. From solemn promises and bended knee the infatuated and enslaved victim rushes to the first saloon to quaff that which alone seems to him to give him nerve under his awful wretchedness and misery.

What can be done for such a person? asked the Canon. He believed that the vaunted "cures" were for the most part delusive, that the battle must be fought by the sufferer without the aid of nostrums. "Fight for your life," was the preacher's advice. He recommended sanitariums where no alcohol could be obtained.

In the second part of the address, the Canon was eloquent on "Prevention is better than cure." Admirable was the advice and warning he gave to the young men and women.

Administration of the Grand Trunk.

Messrs. David Morrice, Toronto; James Webster, Allandale, and W. R. Tiffin, London, the three superintendents of the western district of the G.T.R., have returned from Montreal, where a lengthy consultation was held with Manager Hays on questions of administration. Chief Engineer Hobson of the G.T.R. passed through the city yesterday.

Methodist Ministerial Changes.

An effort is being made to permit Rev. James Henderson to resign his pulpit at the Sherbourne-street Methodist Church and take up his duties at the Methodist Mission rooms at once. Rev. James Allen of the Metropolitan is likely to be his successor.

THE doctor may be a good old man, but even so, medical examinations and the "local-application" treatment are abhorrent to every modest woman. They are embarrassing—often useless. They should not be submitted to until everything else has been tried. In nine cases out of ten, there is no reason for them. In nine cases out of ten, the doctor in general practice isn't competent to treat female diseases. They make a branch of medicine by themselves. They are distinct from other ailments. They can be properly understood and treated only by one who has had years of actual practice and experience in this particular line. This is true of Dr. R. V. Pierce, chief consulting physician of the Invalid's Hotel and Surgical Institute, at Buffalo, N. Y. Doctor Pierce's Favorite Prescription, for all derangements of the reproductive organs of women, has been in actual use for more than thirty years. It was originally sold with an absolute guarantee that it would cure every case, or that the money paid for it would be refunded. Its success has been so universal that this guarantee is no longer necessary. The "Favorite Prescription" relies now upon the thousands of testimonials from grateful and happy women, in all parts of the land, whose lives have been made worth living by its use. "Favorite Prescription" is sold by druggists.

Complete information regarding it, and testimonials from hundreds who have used it, are embodied in Dr. Pierce's Common Sense Medical Adviser, a standard medical work of 1008 pages, profusely illustrated, which will be sent free on receipt of 31 one-cent stamps to cover cost of customs and mailing *only*. This work is a complete family doctor book and should be read by both young and old. WORLD'S DISPENSARY MEDICAL ASSOCIATION, Buffalo, N.Y.
