THE EXHIBITION IS AT HAND

Final Meeting of the Board Was Held Yesterday Prior to the Formal Opening.

NO SUCCESSOR TO MR. WITHROW.

Pinkertons Are Not Needed on the Grounds—There Will Be Automobile Races.

The final meeting of the Exhibition Board before the opening of the big fair on Tuesday next was held yesterday afternoon in the board room, with President Smith in the chair. On motion of Vice-President Davies it was decided that, as all the work had been done in connection with the forthcoming Exhibition, ex-President Withrow's place on the board should not be filled. The business largely consisted of explanations by Manager Hill as to the arrangements that had been made, and the attractions that had been engaged.

Gen. Haly's Visit.

Among other letters that the manager read was one from Major-General O'Grady-Haly, the new commander of the Canadian militia, accepting an invitation to attend the formal opening by Premier Ross, and to be present at the entertainment in the evening, when the General will make his first formal public appearance.

The Art Gallery.

Mr. Hill also announced that Astley Copley's famous painting of the marine hero, "Tribby," posted in an artist's studio, had been secured and would be exhibited in the art gallery. This painting was on exhibition for five years in the United States and is expected to draw a large number of the exhibition, having been viewed by over 35,000 people, and creating a fame wherever shown. "Tribby" is shown standing on a pedestal surrounded by red plush screens, which form an avenue, and the relief to the figure is so marvelous that it appears to stand far above the background, and as the one could walk entirely around it. The artist, also painted "The Moving of the Crucifixion," which was exhibited here five years ago.

Dr. Orr, Chairman of the Hospital and Sanitary Committee, reported that arrangements would be found greatly improved as regards lavatories, retiring rooms, etc.

The Vested Interest Building.

Mr. Hill stated that the impromptu building, vacated by sundry agricultural implement makers, would be found very attractive and would present a very attractive appearance. The automobile races, he thought, would prove exceptionally interesting.

Don't Need Pinkertons.

An application from the Pinkerton Agency to supply detectives to guard the local police was declined, the board being of the opinion that Toronto's own force was fully equal to the occasion.

Automobile Races.

The program of automobile racing will be as follows: The racing on Sept. 3 and 4 to be for motorcycles and motor tri-cycles, 4 miles each day, and on Sept. 5 and 6, for automobiles, 4 miles each day, and on Sept. 7 and 8, for automobiles, 4 miles each day, and on Sept. 9 and 10, for automobiles, 4 miles each day.

Automobile Letter Delivery.

The Postmaster-General has arranged for a letter delivery on the grounds of the exhibition, and will register letters and sell branch office. There will be four letter boxes on the grounds, and a letter carrier will deliver letters to exhibitors and others having offices on the grounds.

Chicago Plumbers on Strike.

Chicago, Aug. 21.—The Journeymen Plumbers' Union has ordered a general strike, to take effect at once. The strike was taken at a protracted meeting, when it was determined to put an end to the dilatory methods now being used, and begin an aggressive fight on the contractors.

Canadians in Honolulu.

De Raymond of Honolulu was at the Parliament Buildings yesterday. He is one of the 300 Canadians who signed the register. He gave a glowing account of the progress of the Hawaiian Islands since the United States took hold of them. He said he met many Canadians in Honolulu, and that there were many opportunities for young men there.

Shot a New York Policeman.

New York, Aug. 21.—The grand jury today ordered an indictment against Arthur Harris, who shot and killed Policeman Robert J. Thompson, Aug. 12. Harris is now in Washington and the indictment charges murder in the first degree.

A Magic Pill—Dyspepsia.

A magic pill—Dyspepsia is a foe with which men are constantly grappling, but cannot exterminate. Sublimated Bismuth is its appearance in another direction. In many the digestive apparatus is as a watch or clock, in which the mechanism of a watch or clock is the mechanism of the stomach. With such persons disorders of the stomach are the most distressing. To these Ferrer's is much suffering. To these Ferrer's is much suffering. To these Ferrer's is much suffering.
