YORK COUNTY AND SUBURBS. John Taylor of York Township Ends Life While Temporarily Deranged. JUNCTION BASEBALL CLUBS MEET. Reeve Sylvester is in a Serious Condition—Other Suburban Happenings.

East Toronto, March 21.—The whole community was shocked this morning on learning of the tragic death of John Taylor, who lived on the town line, one and three-quarter miles north of Danforth-avenue. At 4:30 o'clock this morning he committed suicide by placing the muzzle of a loaded revolver in his mouth and pulling the trigger. The result was horrifying, and when Dr. Walters, who had been summoned, arrived on the scene, he found that the victim had died instantly, and his attention was directed to the widow and children, who were much in need of his services. Coroner Britton was notified, but considering an inquest unnecessary, as it was clearly a case of self-destruction while under temporary mental aberration. The deceased was a well-known and respected farmer, in his 43rd year, and leaves a widow, three children, two boys and two girls, ranging from 3 to 16 years of age. He was the son of the late James Taylor, and a brother and two sisters survive him. He was in comfortable circumstances, owning a well-stocked farm of 200 acres, one of the best in the County of York. The funeral will take place at 2 p.m. on Wednesday at Chalmers Church Cemetery, Scarborough. Constable Tidmarsh arrested Herbert Taylor, 16 years old, in town this morning. Taylor was wanted at Peterborough. He was handed over to the city detective department to await the arrival of an officer from that town.

Harold Caravan of Carman's drug store spent Sunday in Palmerston, and reports that the snow is over seven feet deep on the level. The roads in every direction are full of snow higher than the rail fences on each side. On one branch line of the C.P.R. no trains got thru for several days. Merchants in some of the towns who ordered goods early in January had not got them yet. A petition was presented to Mayor Dr. McEwen today by parties opposed to annexation to the city, requesting him to call a public meeting to discuss the question and find out what it was all about. The mayor will call the meeting as requested with C. C. Hill at an early date, probably Friday evening.

On the evening of a telephone message, a resident of Danforth-avenue, with his wife and daughter, went to the home of the city to visit the family of his niece, who died yesterday. They reached the home at 10 o'clock, and found the door unlocked, but did not go in. They returned car, but did not go in. They returned car, but did not go in. They returned car, but did not go in.

VICTOR The Great \$3.50 Shoe for Men. A good reasonable proposition: "\$5 Versus \$3.50." There's the case in a nutshell. Would you wear a \$5 boot? Wear the Victor—that's what it is, a \$5 boot. But you pay \$3.50 for it. Would you wear a \$3.50 boot? Wear the Victor. It's a \$5 boot, but you only have to pay \$3.50 for it. Works both ways—a \$5 boot for \$3.50. Direct retailing and supervision of its manufacture make it what it is. This store's own boot. All sizes, widths and styles. \$3.50. A New Trunk. The Simpson Trunk, a \$9 Proposition to Sell for \$4.95.

We are pleased to announce that we have at last accomplished what we have been experimenting upon for a long time—the manufacture of a special "Simpson" Trunk. We have long felt sure that direct methods of retailing, such as we employ in the case of the Victor, would lower the cost of a Trunk to the users of it without cheapening the quality or strength of it. This new Trunk of ours will stand any fair comparison you like to make. Further, so confident are we of its superiority that we call it a \$9 Trunk, as any other store would, with this difference—we will sell it for \$4.95—the lowest margin we can place it at. See it. It's to be the best value in Trunks on the Canadian market. Trunk Department, 5th Floor. High Square Model Tourist Trunks, with waterproof canvas, heavy brass plated corners, clamps, corner lip pieces and bolts, brass lock, three ten-inch steel straps hinges, slip handle, copper lid brace, two iron bands around box, neatly lined, deep covered tray with lid on top, full size box 32 ins. long, sheet iron bottom supported with three hardwood slats, grain leather strap gapping all around, worth 9.00, on sale Wednesday 4.95.

The Book of the Week. Sir Mortimer, By Mary Johnston, Author of To Have and to Hold. If Miss Johnston's new book equals the predictions of the publishers it will duplicate the wonderful success of To Have and to Hold, a few years ago. Added to this background of adventure is a love story told as only Mary Johnston tells it. For sale at the Book Department, \$1.20.
