Store Clerks To Carry On Propaganda Amongst the Citizens.

ST. THOMAS, April 22.—The special committee named to appoint a superintendent of Ponafore Park had not changed their attitude in the selection of a man to succeed Mr. Folland, when the members again discussed the naming of a successor to Mr. Folland tonight. The committee was still a tie on the two applicants, Assistant Superintendent Weston and Joe Clark. The committee will again summon themselves and the appointment may be taken out of its hand and given to No. 4 committee. Chairman Butler suggested that, as an item of economy, the retiring superintendent be given \$50 a month; Assistant Superintendent Weston take Mr. Folland's place at \$40 and a residence, and that Parkmen Shaw and Saywell have their wages settled at \$100 a month. Mr. Folland to act as supervisor. Mayor Brinkman considered Clark as worthy of the post the committee can give him. He was a returned soldier, and well fit for the job. The application of G. W. V. A. for the use of the park in June to hold a carnival was granted. The tender of George C. Taylor for the privileges of "Ponafore Park" at \$600 for the season was accepted. F. L. Close was named caretaker of the Athletic Park and the "Ponafore" WANT SATURDAY CLOSING. The store clerks, assistants and employees have called another open meeting on Monday night to urge a still further movement of publicity among the local dealers and purchasers for any early closing hour on Saturdays. The clerical help and others having to do with the stores, say, either secured the boon or have been promised it. The St. Thomas association will continue its propaganda among the people of the city for their practical sympathy by keeping away from the stores after 5 o'clock and making all their necessary purchases before that hour. Prominent wholesalers of Detroit, Chicago, Toronto and Hamilton will address meetings of the association during the season. ASK CITY TO SHARE. Before starting the drive for funds to establish a new public playground in the city the executive will consider the main financial problem, the cost of their care and maintenance. The city may be asked to share to some extent in the outlay to be undertaken by the committee, but the council will want something definite in the way of permanent annual expenditure. So far some of the locations decided upon are not agreeable to all the members of the mothers' clubs, and there are a few who will not undertake the canvass for funds until they are made aware of the after expenditure for the upkeep and protection of the grounds. The executive will meet to discuss these problems and submit its findings to the joint meeting of the mothers' clubs. HAIGHT—BOOKS. The marriage of Miss Nora Irene Brooks, daughter of Mr. and Mrs. Robert Brooks, 4 Crowker avenue, and George Harrison Haight of London, took place today at the home of the bride. Rev. W. F. Mr. and Mrs. Haight will spend some days at Toronto and Niagara Falls before settling down at 187 Richmond street, London. H. W. ROOKE DIES. Herbert W. Rooke of Toronto, formerly of Kitchener, died today at the home of his father-in-law, G. A. Boughner, 70 Hinkle street, St. Thomas, in his 82nd year. His wife and one son, Glen, survive. The interment will be in St. Thomas Cemetery on Sunday. WALTER KIRKWOOD STILL LIVES. The condition of Walter Kirkwood, whose back was broken yesterday, at Vermont Centre, is still serious, and he suffers considerably. There is some hope the young man may reach recovery, but it will be long and tedious. ITEMS OF INTEREST. The interurban motor cars will start the season's service to Aylmer on Monday. The late Mr. Campbell after giving up farming a few years ago went to the coast and lived there, returning a short time ago to undergo a critical operation.
