BOOTS AND WATER BASS WIN FT. ERIE FEATURES

Ideal Conditions for Opening Day of the Second Summer Meeting.

FORT ERIE, Aug. 5.—The rich Dominion Handicap, at a mile and a quarter, with $4000 added, was the feature race of the opening day's program at Fort Erie this afternoon. It brought out a small but select field, with the imported horses, Boots and Borrow, the choices. The track was in splendid condition and the attendance large. OTTAWA WILL HAVE HORSE SHOW PARADE

H. J. P. Good, one of the founders of Toronto's popular and successful annual Dominion Day open air horse parade, is chairman of the committee that is to inaugurate a similar show this year in Ottawa. Pops in his address to the lovers of the parade horses at the capital, says:

As has doubtless been generally seen in the Ottawa papers, it is the intention to hold an open air horse parade on the afternoon of Monday, Sept. 11, the day of the opening of the Central Canada Exhibition.

The main idea of the affair is to encourage better treatment of the horse and more attention to cleanliness and orderliness on the part of drivers and stablemen.

As one of the founders and for years manager of the Toronto Horse Parade, I am convinced that a similar undertaking would have a most beneficial effect upon horses, drivers and caretakers in Ottawa. It would also be an excellent demonstration of the character of the horses and vehicles driven and employed in this city. An influential committee has been formed to carry out the project, and so far everybody that has been approached has expressed himself heartily in accord.

A prize list has been prepared embracing upwards of twenty-five classes.
